

GET TO KNOW THE TOYOTA APP

With the Toyota App, you can be connected to your vehicle. This new mobile app enables drivers to enjoy their Connected Services¹, access real-time vehicle health information and more – all from a mobile device.

The Toyota App is available as a free download for both iPhone^{®2} and Android^{™3} devices.

KEY FEATURES

- Sign up and register for Connected Services¹
- Check/receive vehicle maintenance alerts and health reports to help maintain your vehicle for peak operating performance
- Remote start/stop your engine⁴ and lock/unlock your doors
- Locate your parked vehicle
- Customize vehicle alerts for guest drivers and receive instant notifications when settings are exceeded
- View your recent trips

Requirements

- Toyota vehicle compatible with Connected Services* (select 2010 or newer models)
- iPhone² running iOS 10 or newer
- Android³ device running Android 7.0 or newer

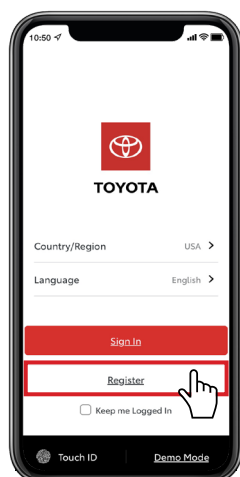

* Available features vary by vehicle and subscription type

HOW TO GET STARTED

1 Go to the App Store^{®5} (iPhone) or Google Play^{™6} Store (Android) and search "Toyota," then download and open the app.

2a If you don't have a Toyota Owner's account, tap **Register** to create one. Proceed to **Step 3**.

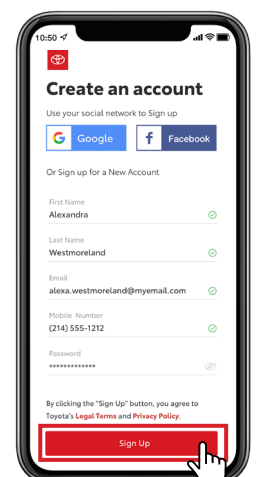

2b If you already have a Toyota Owner's account but have not linked your **NEW** vehicle, tap **Sign In** and utilize your Toyota Owner's credentials to sign in. Proceed to **Step 5**.

3 Input your personal identification information, then tap **Sign Up**.

Note: You can also sign in with select social network credentials.

HOW TO GET STARTED (CONTINUED)

4 Retrieve the activation code from your email, then enter it and tap **Verify Account**.

Note: If you don't receive the email with your account activation code or it's been more than 48 hours since you received it, tap **Request New Code**.

5 Link your vehicle to your account by (a) scanning the vehicle identification number (VIN) with your device's camera or (b) manually entering in the VIN, then tapping **Add Vehicle**.

Where to find your VIN?

Where else could I find my VIN?

- Vehicle Registration
- Vehicle Insurance Card

6 Add an optional nickname for your vehicle; confirm your Preferred Servicing Dealer; review your vehicle's capabilities, Connected Services Terms of Use, and Connected Services Privacy Notice, then tap **Continue**.

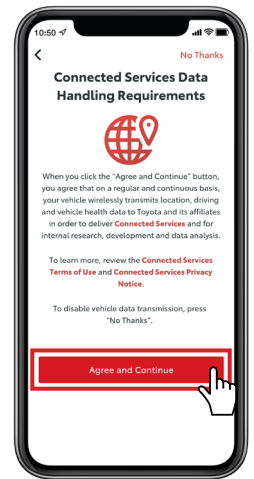

7 Review your available Connected Services trials, then tap **Continue**.

Note: Selecting **No Thanks** will waive the Connected Services trial for the vehicle and disable your vehicle's telematics communication device. Please be aware that this will disable your vehicle's Safety Connect functionality.

8 Review the Connected Services Data Handling Requirements consent, then tap **Agree and Continue** if you accept.

Note: Selecting **No Thanks** will cancel the Connected Services trial for the vehicle and disable your vehicle's telematics communication device. Please be aware that this will disable your vehicle's Safety Connect functionality.

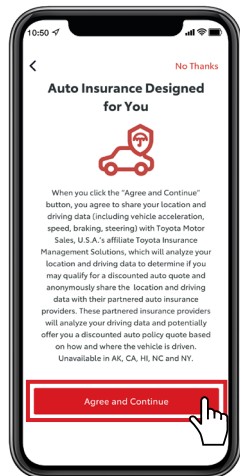

9 Review the Service Connect Communication consent, then tap **Agree and Continue** if you accept.

Note: You can also waive Service Connect Communication by tapping **No Thanks**.

10 Review the Auto Insurance Designed for You consent, then tap **Agree and Continue** if you accept.

Note: You can also waive Auto Insurance Designed for You by tapping **No Thanks**.

11 To complete the setup process, tap **Finish Setup**. If you have another vehicle to add to your garage, tap **Add New** and repeat **Steps 5-11**.

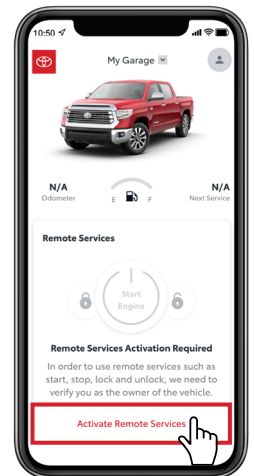

12 You're now ready to experience the benefits of "Toyota" in your customizable, personal dashboard.

For Remote Connect⁴ capable vehicles, please continue.

13a For Remote Connect capable vehicles, tap **Activate Remote Services⁴** and go to **Step 13b**.

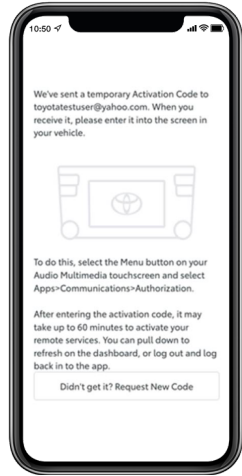

HOW TO GET STARTED (CONTINUED)

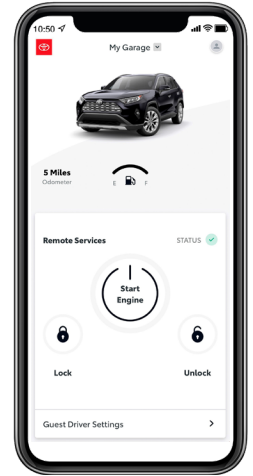

13b Check your email for the Remote Authorization Code.

13c Enter the Remote Connect authorization code on the vehicle's Audio Multimedia display by selecting **Menu**, then **Apps** (within the **Communications** section), then **Authorization**.

14 You can now use your Remote Services inside the Toyota app.

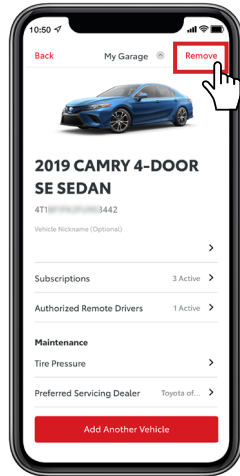

HOW TO REMOVE/UNLINK A VEHICLE

1 Tap **My Garage**.

2 Tap **Remove** in the upper right corner, then confirm by tapping **Remove**.

3 The vehicle is now removed from the account, and the account is ready to add another vehicle.

DISCLOSURES

1. Connected Services depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See [Toyota.com/connected-services](https://www.toyota.com/connected-services) for details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts>. Stolen vehicle police report required to use Stolen Vehicle Locator. **2.** iPhone is a registered trademark of Apple, Inc. All rights reserved. **3.** Android is a trademark of Google LLC. **4.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota's control, which can limit system functionality and availability. Service may vary by vehicle and region. Registration and app download required. Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Owners Manual and <https://www.toyota.com/connected-services> for additional details.
