

2020 4Runner

At a Glance

- * Toyota Safety Sense™ P (TSS-P)[1]
- * Apple CarPlay®[2], Android Auto™[3], Amazon Alexa[4] and Waze compatibility
- * Body-on-frame construction
- * 5,000-lb. towing capacity[5]
- * 9.6-in. of ground clearance
- * Available part- or full-time four-wheel drive

New for 2020

In addition to the all-new Venture Special Edition grade, 4Runner now comes equipped with more safety and convenience technologies, plus enhanced audio multimedia:

Safety & Convenience

- * Toyota Safety Sense™ P (TSS-P)[1]
- * Smart Key System[6] with Push Button Start standard on more models
- * Two rear USB ports[7]

Technology & Performance

- * 8-inch touchscreen with Apple CarPlay®[2], Android Auto™[3], Amazon Alexa[4] and Waze compatibility
- * New instrument panel
- * Cat-back exhaust on TRD Pro

Venture Special Edition

- * 17-inch dark metallic gray alloy wheels[8]
- * Yakima MegaWarrior Roofrack[9]
- * Black side mirrors, door handles and rear spoiler

Awards

- 2019 Toyota 4Runner – Best Resale Value: Top 10[12]

Key Features

SR5

With standard active safety systems and enhanced audio multimedia, SR5 doesn't just come with the latest tech, it brings immense capability as well.

- Toyota Safety Sense™ P (TSS-P)[1]
- 8-in. touchscreen with Apple CarPlay®[2], Android Auto™[3], Amazon Alexa[4] and Waze compatibility
- Two rear USB ports[7]

SR5 Premium

Additional convenience and seating let SR5 Premium bring out the best for those seeking off-road[10] thrills without breaking the bank.

- Smart Key System[6] with Push Button Start
- Auto-dimming rearview mirror
- Available 50/50-split fold-flat third-row seat

Limited

When comfort and convenience is favored, 4Runner Limited checks all the boxes with features like dual-zone automatic climate control, perforated leather-trimmed heated and ventilated front seats, and front and rear parking assist sonars[15].

- 20-in. alloy wheels[8]
- Power tilt/slide moonroof
- Premium Audio with Dynamic Navigation[13] and JBL®[14] w/Clari-Fi

Nightshade Special Edition

Based on the fully loaded Limited trim, Nightshade Special Edition gives 4Runner a unique look.

- 20-in. black alloy wheels[8]
- Black/graphite leather-trimmed interior
- Integrated LED fog lights

Venture Special Edition

Thanks to its unique exterior accents, the all-new Venture Special Edition dramatically accentuates 4Runner's look.

- 17-inch dark metallic gray alloy wheels[8]
- Yakima MegaWarrior Roofrack[9]
- Black side mirrors, door handles and rear spoiler

TRD Off-Road

The TRD Off-Road grade offers a 4x4 machine that lets drivers attack the toughest terrain without having to sacrifice head-turning style.

- Part-time four-wheel drive
- Multi-terrain Select
- TRD shift knob

TRD Off-Road Premium

With premium touches throughout, this off-road[10] oriented grade is transformed by bridging all-terrain drivability with luxury amenities.

- SofTex®-trimmed seating surfaces[16]
- Red "TRD" lettering on driver and front passenger headrests[17]

- Premium Audio with Dynamic Navigation[13]

TRD Pro

When off-roading is your game, TRD Pro delivers with its rugged looks, TRD-tuned suspension and other features that help this 4Runner get wherever it needs to go.

- TRD FOX high-performance shocks
- TRD-stamped aluminum front skid plate
- TRD cat-back exhaust

Disclaimers

1. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
2. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® tethered with an approved data cable into the USB media port. Apple CarPlay is a trademark of Apple Inc.
3. Android is a trademark of Google LLC.
4. Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Not all Amazon Alexa functionality is available for in-vehicle use.
5. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. Calculated with the new SAE J2807 method.
6. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
7. May not be compatible with all mobile phones, MP3/WMA players and like models.
8. 17-in. & 20-in. performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending on driving conditions.
9. Roof rack with crossbars is not recommended for luggage. See Owner's Manual for additional limitations and details.
10. The Toyota 4Runner is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area.
11. Toyota is Vincentric's Best Value in America: Mid-Sized SUV/Crossover segment for 2019. For more information, visit Vincentric.com
12. Vehicle's projected resale value is specific to the 2019 model year. For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.
13. Dynamic Navigation is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control which can limit the ability or functionality of the system. To

learn about Toyota Entune 3.0's data collection, use, sharing and retention, please visit Toyota Link: www.toyota.com/privacyvts/. Use common sense when relying on information provided. Services and programming subject to change at any time without notice. Services not available in every city or roadway. Subscription required upon end of trial service period. See Navigation System Owner's Manual for additional limitations and details. See Toyota.com/entune for details.

14. JBL is a registered trademark of Harman International Industries, Inc.
15. Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Front and Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details.
16. SofTex is a registered trademark of Toyota Motor Sales, U.S.A., Inc.
17. Headphones are for passenger use only. Do not use while operating vehicle.
18. HD Radio Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
19. Dynamic voice recognition capabilities vary by head unit.
20. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
21. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth* SIG, Inc. and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
22. Always drive safely, obey traffic laws and focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. Data charges may apply. See Apple.com and phone carrier for details. Siri is a registered trademark of Apple Inc.
23. SiriusXM audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2019 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc.
24. Toyota Safety Connect depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Registration required. Service subject to change at any time without notice. Terms and conditions of subscription service agreement apply. Valid in the U.S. See usage precautions and service limitations in Owner's Manual. See Toyota.com/connected-services/ for details. To learn about Toyota's data collection, use, sharing and retention, please visit www.toyota.com/privacyvts/. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. Terms and conditions apply.
25. Information provided is based on the last time data was collected from the vehicle and may not be up to date. Service Connect depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, which can limit functionality or availability. Valid in the continental U.S. Registration required. Service subject to change at any time without notice. Terms and conditions of subscription service agreement apply. See usage precautions and service limitations in Owner's Manual. See Toyota.com/connected-services/ for details. To learn about Toyota's data collection, use, sharing and retention, please visit www.toyota.com/privacyvts/. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. Terms and conditions apply.
26. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota's control, which can limit system functionality and availability. Valid in the continental U.S. Registration and app download required. Terms and conditions of subscription service agreement apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Owner's Manual. See www.toyota.com/connected-services/ for details. (Note: Do not use until link is active at the end of June). To learn about Toyota's data collection, use, sharing and retention, please visit www.toyota.com/privacyvts/. The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.
27. Eligible vehicle and wireless service required. Coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Wi-Fi Connect is available on select 2019 and newer Toyota vehicles. Visit Toyota.com for vehicle availability. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Services subject to change at any time without notice. The Wi-Fi Connect trial period is at no extra cost and begins on the date of activation. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.
28. Destination Assist is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. Use common sense when relying on this information. Apps and services subject to change at any time without notice. See Toyota.com/entune for details. To learn about Toyota Entune 3.0's data collection, use, sharing and retention, please visit www.toyota.com/privacyvts/. See

Owner's Manual for additional limitations and details.

29. Advanced voice recognition capabilities vary by head unit.
30. Crawl Control is designed for driving on difficult terrain at low speeds. It assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. The 4Runner is designed to meet off-road driving requirements, but off-roading is inherently dangerous. Always wear seatbelts. See Owner's Manual for additional limitations and details.
31. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for additional limitations and details.
32. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details.
33. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details.
34. Downhill Assist Control is designed to help the driver maintain vehicle control and speed on steep, downhill descents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether DAC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
35. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
36. The TSS Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
37. The Pedestrian Detection System is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a collision avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See Owner's Manual for additional limitations and details.
38. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for additional limitations and details.
39. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
40. HomeLink and the HomeLink house icon are registered trademarks of Gentex Corporation.
41. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner's Manual for additional limitations and details.
42. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org.
43. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for details.
44. Lane Departure Alert is designed to read visible lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
45. Sway Warning is designed to provide a visual and audible alert if it detects a pattern of vehicle movement that might indicate driver inattention or drowsiness. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
46. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details.
47. Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds.
48. 2020 EPA-estimated mileage. Actual mileage will vary.
49. ToyotaCare plan covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.
50. Roadside Assistance coverage is 3 years unlimited mileage. Does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.
51. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's

doorjamb.

52. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.

53. Connected Services depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See Toyota.com/connected-services for details. To learn about Toyota's data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts. Stolen vehicle police report required to use Stolen Vehicle Locator.

54. Toyota Safety Sense effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for additional limitations and details.
