

2021 Land Cruiser

5 Things You Need to Know

- * Standard Toyota Safety Sense™ P (TSS-P)[1]
- * Three-row, perforated leather-trimmed seating
- * 14-speaker JBL®[2] audio system
- * Body-on-frame construction
- * Full-time four-wheel drive

What's New

- * Classic Silver Metallic and Magnetic Gray Metallic available on Heritage Edition
- * Available third-row seating option on Heritage Edition

Quick Specs

- * 381-hp V8
- * 8,100-lb. towing capacity[3]
- * 8.9-in. ground clearance

Awards

- Award coming soon.

Models

Model Code	Trim Name	Full Name	Engine
6156	4x4	4x4	5.7L V8
6157	Heritage Edition 4x4	Heritage Edition 4x4	5.7L V8

Key Features

4x4

Land Cruiser isn't just about comfort and off-roading – although it easily succeeds in both of those areas – comes standard with front and rear parking assist sonar, Bird's Eye View Camera and more.

- Toyota Safety Sense™ P (TSS-P)[1]
- Blind Spot Monitor (BSM)[4] with Rear Cross-Traffic Alert (RCTA)[5]
- Front and rear parking assist sonar[6]

Heritage Edition 4x4

Heritage Edition celebrates Land Cruiser's rich 70-year history with unique style and capability, thanks to standard Enhanced Multi-terrain Monitor, Multi-terrain Select, skid plates and more.

- 18-in. bronze-colored BBS®[9] forged alloy wheels
- Yakima® MegaWarrior roof rack[10]
- Unique exterior accents

Features

S – Standard | O – Optional | P – Package

	4x4	Heritage Edition 4x4
Safety/Convenience		
Airbags		
Ten airbags[32] – includes driver and front passenger Advanced Airbag System, driver and front passenger seat-mounted side airbags, second-row outboard seat-mounted side airbags, driver and front passenger knee airbags, and all-row Roll-sensing Side Curtain Airbags (RSCA) with cutoff switch	S	S
Backup Camera		
Bird's Eye View Camera[8] – Perimeter Scan, overhead 360-degree view in Drive and Reverse, and curb view	S	S
Enhanced Multi-terrain Monitor with selectable front, side or rear views	S	S
Integrated backup camera[33] display with projected path	S	S
Braking Systems		
Active Traction Control (A-TRAC) – part of Star Safety System™	S	S
Brake Assist (BA)[34] – part of Star Safety System™	S	S
Electronic Brake-force Distribution (EBD) – part of Star Safety System™	S	S
Hill Start Assist Control (HAC)[41]	S	S
Multi-terrain 4-wheel Anti-lock Brake System (ABS) – part of Star Safety System™	S	S
Pre-Collision System with Pedestrian Detection[27] (PCS w/PD) – part of Toyota Safety Sense™ P (TSS-P)[1]	S	S
Smart Stop Technology® (SST)[35] – part of Star Safety System™	S	S
Vehicle Stability Control (VSC)[36] – part of Star Safety System™	S	S
Convenience		
All-weather floor and cargo mats[23]	–	S
Power door locks with shift-linked automatic lock/unlock feature	S	S
Power windows with one-touch auto up/down with jam protection in all positions	S	S
Smart Key System[37] on all doors and liftgate with Push Button Start; remote, illuminated, keyless entry system	S	S
Cruise Control		
Dynamic Radar Cruise Control (DRCC)[26]	S	S
Power Outlets		
Two center console-area 12V auxiliary power outlets	S	S
One cargo area 120V AC power outlet	S	S
Qi-compatible wireless smartphone[31] or mobile device charging with full-charge indicator light	S	S
Safety & Security		
Safety Connect®[21] with 3-year trial subscription – part of Connected Services	S	S
Automatic Collision Notification – part of Safety Connect®[21] 3-year trial subscription	S	S
Emergency Assistance – part of Safety Connect®[21] 3-year trial subscription	S	S
Roadside Assistance[38] – part of Safety Connect®[21] 3-year trial subscription	S	S
Stolen Vehicle Locator[39] – part of Safety Connect®[21] 3-year trial subscription	S	S

	4x4	Heritage Edition 4x4
Star Safety System™	S	S
Active Traction Control (A-TRAC) – part of Star Safety System™	S	S
Brake Assist (BA)[34] – part of Star Safety System™	S	S
Electronic Brake-force Distribution (EBD) – part of Star Safety System™	S	S
Multi-terrain 4-wheel Anti-lock Brake System (ABS) – part of Star Safety System™	S	S
Smart Stop Technology® (SST)[35] – part of Star Safety System™	S	S
Vehicle Stability Control (VSC)[36] – part of Star Safety System™	S	S
Toyota Safety Sense™ P (TSS-P)[1]	S	S
Automatic High Beams (AHB)[40] – part of Toyota Safety Sense™ P (TSS-P)[1]	S	S
Dynamic Radar Cruise Control (DRCC)[26] – part of Toyota Safety Sense™ P (TSS-P)[1]	S	S
Lane Departure Alert (LDA)[28] – part of Toyota Safety Sense™ P (TSS-P)[1]	S	S
Pre-Collision System with Pedestrian Detection[27] (PCS w/PD) – part of Toyota Safety Sense™ P (TSS-P)[1]	S	S
Blind Spot Monitor (BSM)[4] with Rear Cross-Traffic Alert (RCTA)[5]	S	S
Front and rear parking assist sonar[6]	S	S
Multi-terrain Select and 5-speed Crawl Control[24] with Off-road Turn Assist (OTA)	S	S
Tire Pressure Monitor System (TPMS)[25] with direct pressure read-out and individual tire location alert	S	S
Trailer-Sway Control (TSC)[42]	S	S
Anti-theft system with engine immobilizer[43]	S	S
Child-protector rear door locks and power window lockout control	S	S
Driver and front passenger active headrests	S	S
Head-impact protection structure with energy-absorbing soft upper interior trim	S	S
Highly rigid body structure with side-impact door beams	S	S
Seatbelts & Child Restraint System		
3-point seatbelts for all seating positions; driver-side Emergency Locking Retractor (ELR); Automatic/Emergency Locking Retractor (ALR/ELR) on all passenger belts	S	S
Adjustable front- and second-row outboard seatbelt anchors	S	S
Driver and front passenger Active Seatbelt Pretensioning System with force limiters	S	S
LATCH (Lower Anchors and Tethers for CHildren) includes lower anchors on outboard second-row seats and tether anchors on all second-row seats	S	S
Windows, Glass & Wipers		
Rain-sensing aerodynamic variable intermittent windshield wipers	S	S
Intermittent rear wiper	S	S
Windshield wiper de-icer	S	S
Privacy glass on rear side, quarter and liftgate windows	S	S
Interior		
Air Conditioner, Heater & Defroster		
Four-zone automatic front and rear climate control with air filter, dust and pollen filtration mode, push-button controls and separate second-row control panel; individual temperature settings for driver, front passenger and rear-seat passengers	S	S
Audio, Entertainment & Navigation		
Premium Audio with 9.0-in. touchscreen with split-screen display	S	S
Integrated Navigation[13], 14 JBL®[2] Synthesis speakers (including subwoofer) and amplifier, AM/FM cache radio, CD player, USB port[14], advanced voice recognition[15], hands-free phone[16] capability and music streaming via Bluetooth®[17] wireless technology, Siri® Eyes Free[18], predictive traffic and Doppler weather	S	S

	4x4	Heritage Edition 4x4
overlay by HD Radio™[19] services, SiriusXM®[20] with 3-month All Access trial. See toyota.com/audio-multimedia for details.		
Safety Connect®[21] with 3-year trial – part of Connected Services[22]	S	S
Rear-seat DVD entertainment system with two individual 11.6-in. display screens, RCA jacks, HDMI input, remote and two wireless headphones[11]	O	–
Cargo Area		
All-weather floor and cargo mats[23]	–	S
Cargo tonneau cover	–	S
One cargo area 120V AC power outlet	S	S
Cup & Bottle Holders		
Twelve cup and bottle holders	S	–
Ten cup and bottle holders	–	S
Drive Modes		
5-Speed Crawl Control (CRAWL)[24] with Off-road Turn Assist (OTA)	S	S
Multi-terrain Select (Rock, Rock & Dirt, Mogul, Loose Rock, Mud & Sand settings)	S	S
Instrumentation		
Optitron instrumentation with turquoise-illuminated edges and white-backlit speedometer, tachometer, voltmeter, coolant temperature, fuel and engine oil pressure gauges	S	S
TFT Multi-Information Display (MID) with odometer, tripmeter, speedometer, shift position, current and average fuel economy, distance to empty, average speed, parking assist, steering wheel angle, ECO Driving Indicator zone display, Multi-terrain Select including Crawl Control[24], Tire Pressure Monitor System (TPMS) [25] with individual tire location including spare, Dynamic Radar Cruise Control (DRCC)[26] adjustment information, Toyota Safety Sense™ P (TSS-P)[1] Pre-Collision[27] warning alarm adjustment, Lane Departure Alert (LDA)[28] and Sway Warning System (SWS)[29] adjustment, maintenance information and warning messages	S	S
Lights		
Illuminated vanity mirrors in driver and front passenger sun visors	S	S
LED accent lighting illuminating from the front and rear door upper trim	S	S
Overhead console with LED illumination and LED maplights	S	S
Second-row LED maplights	S	S
Second-row LED illumination	S	S
Third-row LED illumination	S	–
Cargo LED illumination	–	S
Mirrors		
Auto-dimming rearview mirror with compass and HomeLink®[30] universal transceiver	S	S
Illuminated vanity mirrors in driver and front passenger sun visors	S	S
Power Outlets		
Two center console-area 12V auxiliary power outlets	S	S
One cargo area 120V AC power outlet	S	S
Qi-compatible wireless smartphone[31] or mobile device charging with full-charge indicator light	S	S
Seats		
8-passenger seating	S	O
5-passenger seating	–	S
10-way power-adjustable driver's seat with three-position memory function	S	S

	4x4	Heritage Edition 4x4
8-way power-adjustable front passenger seat	S	S
Multi-stage heated and ventilated front seats	S	S
Power lumbar support for driver and front passenger seat	S	S
Semi-aniline, perforated, leather-trimmed seating surfaces in black or terra	S	–
Black perforated leather-trimmed seating	–	S
Seatback pockets	S	S
40/20/40-split, sliding, reclining, folding, tumble and multi-stage heated second-row seat with center armrest and abrasion-resistant seat back material	S	S
50/50-split, fold-down third-row seat with folding headrests and abrasion-resistant seat back material	S	O
Steering Wheel		
Leather-trimmed, heated, power tilt/telescopic steering wheel with wood-grain-style accents, Multi-Information Display (MID) with toggle control, and controls for audio, Siri® Eyes Free[18], <i>Bluetooth</i> ®[17] hands-free phone[16], voice-command, Toyota Safety Sense™ P (TSS-P)[1] and Dynamic Radar Cruise Control (DRCC)[26] warning adjustments	S	S
Storage Areas		
Bi-level covered center console with cooler box	S	–
Bi-level covered center console	–	S
Front and rear door storage pockets	S	S
Sunglasses storage in overhead console	S	S
Trim		
Bi-level covered center console with cooler box and second-row vents	S	–
Bi-level covered center console with second-row vents	–	S
Leather-trimmed shift lever with wood-grain-style inlay	S	S
Dual extendable sun visors with illuminated vanity mirrors and secondary visors	S	S
Black interior package with black headliner and bronze contrast stitching on seats, steering wheel, center stack, console box and door panels	–	S
Overhead console with LED illumination and LED maplights, sunglasses storage and Safety Connect®[21] controls	S	S
Exterior		
Lights		
Projector-beam, LED low- and high-beam headlights with auto level control and auto on/off feature, headlight cleaners and integrated Land Cruiser logo	S	S
Dark headlight housing	–	S
Headlight-integrated LED Daytime Running Lights (DRLs)	S	S
Integrated LED fog lights with chrome surround	S	–
Integrated LED fog lights with darkened chrome surround	–	S
LED stop lights and light pipe taillights with vortex generators	S	S
Mirrors		
Color-keyed, power outside mirrors	S	–
Black with darkened chrome, power outside mirrors	–	S
Heated outside mirrors with turn signal indicators, cameras and vortex generators, and auto-dimming, automatic power-folding, reverse tilt-down and memory features	S	S
Moonroof		
Power tilt/slide moonroof with one-touch open/close and jam protection	S	S

	4x4	Heritage Edition 4x4
Sunshade	S	S
Racks		
Roof rack[10]	S	–
Black Yakima® MegaWarrior Roofrack[10]	–	S
Skid Plates		
Skid plates on front suspension, radiator, fuel tank and transfer case	S	S
Trim		
Chrome grille surround with dark silver insert and chrome accent	S	–
Heritage Edition grille with black inserts and darkened chrome surround	–	S
Aluminum running boards	S	–
Side body chrome moldings with integrated Land Cruiser logo	S	–
Front and rear frame-mounted tow hooks	S	S
Front and rear heavy-duty mudguards	S	S
Color-keyed rear spoiler	S	S
Power open/close rear-door liftgate with key remote	S	S
"TOYOTA Land Cruiser" heritage badge	–	S
Wheels & Tires		
18-in., split-spoke alloy wheels with P285/60R18 116V tires	S	–
18-in., bronze-colored BBS®[9] forged-aluminum alloy wheels with P285/60R18 116V tires	–	S
Windows, Glass & Wipers		
Rain-sensing aerodynamic variable intermittent windshield wipers	S	S
Intermittent rear wiper	S	S
Windshield wiper de-icer	S	S
Privacy glass on rear side, quarter and liftgate windows	S	S

Disclaimers

1. Toyota Safety Sense effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details.
2. JBL is a registered trademark of Harman International Industries, Inc.
3. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. Calculated with the new SAE J2807 method. See *Owner's Manual* for limitations.
4. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details.
5. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details.
6. Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Front and Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details.
7. The Toyota Land Cruiser is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area.
8. The Bird's Eye-View Camera does not provide a comprehensive view of the area surrounding the vehicle and you should also look around the vehicle, using mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details.
9. BBS is a registered trademark of BBS of America, Inc.
10. Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions.
11. Headphones are for passenger use only.
12. Extra-cost color.

13. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depends on many factors and service may not be available in every location. Use common sense when relying on information provided. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for additional limitations and details.
14. May not be compatible with all mobile phones, MP3/WMA players and like models.
15. Advanced voice recognition capabilities vary by head unit.
16. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
17. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth SIG, Inc.* and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
18. Always focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. See Apple.com and phone carrier for details. Data charges may apply. Siri is a registered trademark of Apple Inc.
19. HD Radio Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
20. SiriusXM® audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2020 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. SiriusXM trial length and service availability may vary by model, model year or trim.
21. Toyota Safety Connect depends on an operative telematics device, a cellular connection, and GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and Toyota.com/connected-services/ for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
22. Connected Services depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Subscription required after trial. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See Toyota.com/connected-services for details. To learn about Toyota's data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts. Stolen vehicle police report required to use Stolen Vehicle Locator. Connected Services by Toyota trials are at no extra cost. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply.
23. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat.
24. Crawl Control is designed for driving on difficult terrain at low speeds and assists driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations and details.
25. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details.
26. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details.
27. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See *Owner's Manual* for additional limitations and details.
28. Lane Departure Alert is designed to read visible lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors, including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details.
29. Sway Warning is designed to provide a visual and audible alert if it detects a pattern of vehicle movement that might indicate driver inattention or drowsiness. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details.
30. HomeLink and the HomeLink® house icon are registered trademarks of Gentex Corporation.
31. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns.

32. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details.
33. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details.
34. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details.
35. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details.
36. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
37. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
38. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota dealer for details and exclusions.
39. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331.
40. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details.
41. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
42. Trailer Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
43. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service.
44. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their Maintenance Guide. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.
45. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
46. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.
