

2022 Corolla

Top 5 Facts

- * L, LE, and XLE boast refinement and style
- * SE, SE Nightshade Edition, and XSE tout sporty looks
- * SE and XSE Apex Edition pack real performance upgrades
- * Hybrid LE goes the distance with incredible fuel economy ratings[1]
- * Available Blind Spot Monitor (BSM)[2] with Rear Cross-Traffic Alert (RCTA)[3]

What's New

- * Ruby Flare Pearl (3T3) exterior color
- * Wind Chill Pearl (089) exterior color (MSRP \$425)[5]
- * Premium Package (MSRP \$1,525) for Hybrid LE includes SofTex-trimmed seats, heated front seats, leather-trimmed steering wheels, and power-adjustable driver's seat with power lumbar support

Quick Specs

- * 139-hp 4-cyl. engine on L, LE, and XLE
- * 169-hp 4-cyl. engine on SE and XSE
- * Available Intelligent Manual Transmission (iMT) on SE and SE Apex Edition
- * EPA-est. 52 mpg (comb.) on Hybrid LE[1]
- * Standard Active Cornering Assist (ACA)

Awards

- 2021 Toyota Corolla is an IIHS TSP when equipped with specific headlights.[24]

Models

Model Code	Trim Name	Full Name	Engine
1832	L	L	1.8 4-Cyl.
1852	LE	LE	1.8 4-Cyl.

1856	XLE	XLE	1.8 4-Cyl.
1857	SE 6MT Apex Edition	SE 6MT Apex Edition	2.0 4-Cyl.
1858	SE Apex Edition	SE Apex Edition	2.0 4-Cyl.

1866	XSE	XSE	2.0 4-Cyl.
1868	SE Nightshade Edition	SE Nightshade Edition	2.0 4-Cyl.
1882	Hybrid LE	Hybrid LE	1.8 4-Cyl.

Key Features

L

Corolla kicks things off with a crisp, 7-inch touchscreen front and center – and Apple CarPlay®[7], Android Auto™[8], and Amazon Alexa[9] compatibility to help make the most out of it.

- Toyota Safety Sense™ 2.0 (TSS 2.0)[6]
- LED headlights, taillights, and stop lights
- 60/40-split, fold-down rear seat

LE

Stepping up to the LE grade brings standard features like automatic climate control, an 8-inch touchscreen, a USB charge port[11] for rear passengers, and other available convenience features.

- Available Smart Key System[10] with Push Button Start
- Available power tilt/slide moonroof
- Available 16-in. alloy wheels

XLE

With high-tech features like a 7-inch Multi-Information Display (MID) – as well as an available Adaptive Front-Lighting System (AFS)[14] and Qi-compatible wireless smartphone charging[15] – Corolla XLE offers a first-class experience in compact form.

- Blind Spot Monitor (BSM)[3] with Rear Cross-Traffic Alert (RCTA)[4]
- SofTex®-trimmed[12], heated front sport seats

- Available 9-speaker JBL®[13] audio system

SE 6MT Apex Edition

Corolla SE 6MT Apex Edition turns things up a notch with a sport-tuned suspension and exhaust, while paying homage to the Corolla Levin GT-APEX of the 1980s – famously known as the AE86.

- Intelligent Manual Transmission (iMT)
- Bronze-colored interior trim stitching
- 18-in., black flow-formed alloy wheels

SE Apex Edition

Like its manual-transmission sibling, SE Apex Edition is ready to take on corners with the upgrades needed to help make it happen.

- Dynamic-Shift CVT
- Steering wheel with paddle shifters
- Black and bronze-colored body kit

XSE Apex Edition

The XSE Apex Edition grade represents the pinnacle of Corolla's performance – 169 horsepower on tap, suspension upgrades underneath, and unique styling that won't go unnoticed.

- Blind Spot Monitor (BSM)[3] with Rear Cross-Traffic Alert (RCTA)[4]
- 7-in. Multi-Information Display (MID)
- SofTex®-trimmed[12], heated front sport seats

SE 6MT

A 169-horsepower powerplant mated to a six-speed manual transmission makes Corolla SE 6MT every enthusiast's dream a fun-filled reality.

- Intelligent Manual Transmission (iMT)
- Power tilt/slide moonroof
- 18-in. alloy wheels

SE

The SE grade packs a lively 2.0-liter engine up front, with a Direct-Shift Continuously Variable Transmission that uses a physical first gear for a thrilling, more exciting drive.

- Dynamic-Shift CVT
- Steering wheel with paddle shifters
- Available Smart Key System[10] with Push Button Start

XSE

XSE ups the comfort and convenience factors with SofTex®-trimmed[12], heated front sport seats, Blind Spot Monitor (BSM)[3] with Rear Cross-Traffic Alert (RCTA)[4], and other great amenities that help round out this sporty sedan.

- 7-in. Multi-Information Display (MID)
- Available Adaptive Front-Lighting System (AFS)[14]
- Available Qi-compatible wireless smartphone charging[15]

SE Nightshade Edition

As the name implies, the SE Nightshade Edition's menacing look is complemented by blacked-out exterior accents, giving it a head-turning design.

- Black outside mirrors and door handles
- Black-painted rear spoiler
- 18-in., black-painted alloy wheels

Hybrid LE

Powered by Toyota's advanced hybrid technology, the incredibly efficient Corolla Hybrid delivers in more ways than one.

- EPA-est. 52 mpg (comb.)[2]
- 7-in. Multi-Information Display (MID)
- 15-in. alloy wheels

Disclaimers

1. Extra-cost color.

2. EPA-estimated 53city/52hwy/52comb MPG for 2022 Corolla Hybrid LE. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
3. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner's Manual for additional limitations and details.
4. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner's Manual for additional limitations and details.
5. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
6. Toyota Safety Sense effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for additional limitations and details.
7. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay is a registered trademark of Apple Inc.
8. Android Auto is a trademark of Google LLC. To use Android Auto on your audio display, you'll need an Android Auto compatible vehicle and Android phone. For phone compatibility visit: www.android.com/auto/. Apps and services vary by phone carrier and are subject to change at any time without notice.
9. Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Not all Amazon Alexa functionality is available for in-vehicle use.
10. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
11. May not be compatible with all mobile phones, MP3/WMA players and like models.
12. Softex is a registered trademark of Toyota Motor Sales, U.S.A., Inc.
13. JBL is a registered trademark of Harman International Industries, Inc.
14. The Adaptive Front-Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain may limit effectiveness requiring the driver to manually turn off the system. See Owner's Manual for additional limitations and details.
15. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns.
16. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
17. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth SIG, Inc.* and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
18. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.
19. Connected Services depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Subscription required after trial. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See Toyota.com/connected-services for details. To learn about Toyota's data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts. Stolen vehicle police report required to use Stolen Vehicle Locator. Connected Services by Toyota trials are at no extra cost. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply.
20. Safety Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Some features may require the Toyota app. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in Owner's Manual and Toyota.com/connected-services/ for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit Toyota.com/connected-services. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
21. Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in Owner's Manual and Toyota.com/connected-services for additional details. To learn about Toyota's data collection, use, sharing and retention practices,

please visit www.toyota.com/privacyvts/. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect, Remote Connect or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service.

22. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Toyota Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration and Toyota app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Toyota Owner's Manual and www.toyota.com/connected-services for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Toyota Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply.
23. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of activation and expires when 2GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply.
24. Dynamic Navigation depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See Owner's Manual and www.toyota.com/connected-services for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
25. Destination Assist depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See Owner's Manual and Toyota.com/connected-services for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
26. Tire life may be substantially less than mileage expectancy, depending on driving conditions.
27. Advanced voice recognition capabilities vary by head unit.
28. Dynamic Voice Recognition capabilities vary by head unit.
29. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for additional limitations and details.
30. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner's Manual for additional limitations and details.
31. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
32. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for additional limitations and details.
33. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details.
34. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details.
35. When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See Owner's Manual for additional limitations and details.
36. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be

effective in preventing a loss of control. See Owner's Manual for additional limitations and details.

37. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for additional limitations and details.
38. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for additional limitations and details.
39. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
40. Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
41. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details.
42. Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. Not available on vehicles with manual transmissions. See Owner's Manual for additional limitations and details.
43. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See Owner's Manual for additional limitations and details.
44. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service.
45. Whiplash Injury Lessening front seats can help reduce the severity of whiplash injury in certain rear end collisions.
46. For Toyota hybrid, plug-in hybrid, and fuel cell and battery electric vehicles beginning with model year 2020, the hybrid (HV) battery is covered for 10 years from original date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See *Owner's Warranty and Maintenance Guide* for details.
47. Hybrid-related components are covered for 8-years from original date of first use or 100,000 miles, whichever comes first. The HV battery may have longer coverage under emissions warranty. See *Owner's Warranty and Maintenance Guide* for details.
48. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their *Maintenance Guide*. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S.
49. EPA-estimated 30city/38hwy/33comb MPG for 2022 Corolla L, LE; 29city/37hwy/32comb MPG for 2022 Corolla XLE; 28city/36hwy/31comb MPG for 2022 Corolla SE 6MT Apex, 31city/40hwy/34comb MPG for 2022 Corolla SE Apex; 31city/38hwy/34comb MPG for 2022 Corolla XSE Apex and SE Nightshade; 29city/36hwy/32comb MPG for 2022 Corolla SE 6MT; 31city/40hwy/34comb MPG for 2022 Corolla SE; 30city/38hwy/34comb MPG for 2022 Corolla XSE; 53city/52hwy/52comb MPG for 2022 Corolla Hybrid LE. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
50. Insurance Institute for Highway Safety rating for 2021 Toyota Corolla, vehicle class Small Cars. Applies to Corolla models when equipped with LED headlights. For more details on 2021 Top Safety Pick Awards, see www.iihs.org.
