

2022 Sequoia

Top 5 Facts

- * Standard LED headlights and fog lights
- * Standard three-zone automatic climate control
- * Standard Smart Key System[1] with Push Button Start
- * Standard Blind Spot Monitor (BSM)[2] with Rear Cross-Traffic Alert (RCTA)[3]
- * Available Multi-Mode 4WD

What's New

The full-size Sequoia continues to offer immense comfort and versatility thanks to its 7- or 8-passenger seating configurations, large cargo area,[22] and off-road capability[4] with its body-on-frame construction and muscular design.

Quick Specs

- * 381-hp V8 engine
- * 7,400-lb. maximum towing capacity[5]
- * 10.0-in. maximum ground clearance

Awards

- Award coming soon.

Key Features

SR5

With a power tilt/slide moonroof, three-zone automatic climate control, Smart Key System[2] with Push Button Start, and Blind Spot Monitor (BSM)[3] with Rear Cross-Traffic Alert (RCTA)[4], comfort and convenience come standard on this full-size SUV.

- Toyota Safety Sense™ P (TSS-P)[6]
- 7-in. touchscreen
- Apple CarPlay®[7], Android Auto™[8], and Amazon Alexa[9] compatibility

Limited

The Limited grade spruces up Sequoia’s spacious cabin with leather-trimmed and heated front seats, a 10-way power-adjustable driver’s seat, and an auto-dimming rearview mirror.

- Power liftgate
- 12-speaker audio system
- Dynamic Navigation trial[10]

Nightshade Special Edition

A twist on Sequoia Limited, the Nightshade Special Edition grade helps this SUV ride in style, thanks to 20-inch black alloy wheels, black outside mirrors, black door handles, and other darker design cues.

- Darkened chrome-finish exterior accents
- Black exterior badging
- Black leather-trimmed seating

Platinum

When Sequoia goes Platinum, it does so with a thumping, 14-speaker JBL®[11] audio system and Blu-ray Disc® player and 9-inch display in the rear that includes two wireless headphones[12], a wireless remote, and rear audio system.

- Adaptive Variable Suspension (AVS)
- Electronic Modulated Air Suspension
- Perforated, leather-trimmed, heated, and ventilated front seats

TRD Sport

Not only does TRD Sport give Sequoia's suspension an overhaul, it also adds premium touches inside and out like TRD Sport stitched floor mats and 20-inch TRD Sport black alloy wheels.

- Performance-tuned Bilstein®[13] shock absorbers
- Performance-tuned front and rear anti-sway bars
- TRD shift knob

TRD Pro

Sequoia TRD Pro is ready to hit the trails with standard Multi-Mode 4WD, TRD FOX®[16] front and rear shocks, and TRD front skid plate. And with 18-inch black BBS®[17] forged alloy wheels and an exclusive Lunar Rock exterior color, this off-road[1] grade is sure to stand out visually as well.

- Rigid® Industries[14] LED fog lights
- Red contrast interior stitching
- TRD Pro all-weather floor mats[15]

Disclaimers

1. The Toyota Sequoia is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area.
2. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
3. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner's Manual for additional limitations and details.
4. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear

clearance. There are limitations to the function, detection and range of the system. See Owner's Manual for additional limitations and details.

5. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. Calculated with the new SAE J2807 method. See Owner's Manual for limitations.
6. Toyota Safety Sense effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for additional limitations and details.
7. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay is a registered trademark of Apple Inc.
8. Android Auto is a trademark of Google LLC. To use Android Auto on your audio display, you'll need an Android Auto compatible vehicle and Android phone. For phone compatibility visit: www.android.com/auto/. Apps and services vary by phone carrier and are subject to change at any time without notice.
9. Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Not all Amazon Alexa functionality is available for in-vehicle use.
10. Dynamic Navigation depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See Owner's Manual and www.toyota.com/connected-services for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.

12. Headphones are for passenger use only.
13. Bilstein is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY.
14. Rigid Industries is a registered trademark of JST Performance, LLC d/b/a Rigid Industries.
15. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat.
16. Fox is a registered trademark of FOX Factory, Inc.
17. BBS is a registered trademark of BBS of America, Inc.
18. Extra-cost color.
19. HomeLink and the HomeLink house icon are registered trademarks of Gentex Corporation.
20. HD Radio Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
21. May not be compatible with all mobile phones, MP3/WMA players and like models.
22. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
23. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth* SIG, Inc. and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
24. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. SiriusXM trial length and service availability may vary by model, model year or trim.
25. Advanced voice recognition capabilities vary by head unit.
26. Dynamic Voice Recognition capabilities vary by head unit.
27. Destination Assist depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See Owner's Manual and Toyota.com/connected-services for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
28. Connected Services depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Subscription

required after trial. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See Toyota.com/connected-services for details. To learn about Toyota's data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts. Stolen vehicle police report required to use Stolen Vehicle Locator. Connected Services by Toyota trials are at no extra cost. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply.

29. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Toyota Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration and Toyota app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Toyota Owner's Manual and www.toyota.com/connected-services for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Toyota Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply.
30. Safety Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Some features may require the Toyota app. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in Owner's Manual and Toyota.com/connected-services/ for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit Toyota.com/connected-services. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
31. Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in Owner's Manual and Toyota.com/connected-services for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect, Remote Connect or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service.
32. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of activation and expires when 2GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply.
33. Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details.
34. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for additional limitations and details.
35. Lane Departure Alert is designed to read visible lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors, including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
36. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner's Manual for additional limitations and details.
37. Sway Warning is designed to provide a visual and audible alert if it detects a pattern of vehicle movement that might indicate driver inattention or drowsiness. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
38. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See Owner's Manual for additional limitations and details.
39. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for additional limitations and details.
40. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the

vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details.

41. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details.
42. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for additional limitations and details.
43. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
44. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details.
45. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service.
46. Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Front and Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details.
47. Trailer Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
48. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their *Maintenance Guide*. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S.
49. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
50. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.
51. Do not exceed 120V. See Owner's Manual for additional limitations and details.
