

2023 4Runner

Top 5 Facts

- * Eight trims, including four TRD models
- * New 40th Anniversary Edition
- * Available part-time or full-time four-wheel drive
- * Available Multi-Terrain Select and Crawl Control[1]
- * Tough body-on-frame construction

What's New

4Runner returns for 2023 with standard Blind Spot Monitor[2] with Rear Cross-Traffic Alert [3] on all grades and a new Solar Octane exterior color that's exclusive to TRD Pro. Additionally, the 40th Anniversary Special Edition model joins the lineup to celebrate 4Runner's long and storied off-road heritage.

Quick Specs

- * 270-hp 4.0L V6 engine
- * 88.8/46.3/9.0 cubic feet of cargo volume[4]
- * Up to 9.6 inches of ground clearance
- * 5,000-lb. towing capacity[5]

Awards

- 2023 Toyota 4Runner – **Best Resale Value: Top 10**[22]
- 2023 4Runner was named **Best Resale Value in its class** by Kelley Blue Book's KBB.com [22]
- Toyota 4Runner – **Best Resale Value: Top 12 for 10 years** in a row (2013–2022) by Kelley Blue Book’s KBB.com[15]

Key Features

SR5

The 4Runner lineup starts with upscale features like standard Apple CarPlay®[5] and Android Auto™[6] compatibility, as well as Smart Key System with Push Button Start – and for 2023, Blind Spot Monitor[1] with Rear Cross-Traffic Alert[2] is standard on all 4-Runner grades.

- Toyota Safety Sense™ P (TSS-P)[4]
- 8-in. touchscreen
- Blind Spot Monitor (BSM)[1] with Rear Cross-Traffic Alert (RCTA)[2]

SR5 Premium

The SR5 Premium brings a significant technology upgrade with a Premium Audio system that includes a Dynamic Navigation trial[11], as well as an auto-dimming rearview mirror with HomeLink®[12] universal transceiver.

- SofTex®-trimmed[8] heated front seats
- Destination Assist[9]
- Available Panoramic View Monitor (PVM)[10]

Limited

This is the luxury 4Runner, including conveniences such as front and rear parking assist sonar[14], power tilt/slide moonroof, dual-zone automatic climate control, and auto on/

off headlights. And outside, Limited adds 20-inch alloy wheels and available automatic running boards.

- Perforated, leather-trimmed, heated, and ventilated front seats
- 15-speaker JBL®[13] audio system
- Available full-time 4WD

40th Anniversary Special Edition

Celebrating 4-Runner's 40th model year, the all-new 40th Anniversary Special Edition is based on the SR5 Premium and adds a classic, race-inspired tri-color graphic along its side and grill and 17-inch bronze colored alloy wheels. Exclusive badging also notes the 4-Runner's anniversary. Only 4,040 will be produced for the U.S. market.

- Racing inspired tricolor bodyside and grille graphic *17-inch
bronze-colored wheels *Only 4,040 produced for U.S. market

TRD Sport

TRD Sport channels on-road performance with 20-inch alloy wheels and an X-REAS® sport enhancement suspension for improved handling. Its exterior features color-keyed bumpers, TRD hood scoop and other trim, while the interior has black SofTex®-trimmed[8] seating with gray contrast stitching.

- 20-in. split 6-spoke alloy wheels
- TRD Sport carpet floor mats[15]
- Black roof rails[16]

TRD Off-Road

TRD Off-Road lives up to its name in part by enhancing its part-time four-wheel-drive system with Multi-Terrain Select (MTS), which adjusts throttle and brake pressure for four specific terrains, and Crawl Control (CRAWL)[3], which modulates throttle and brake settings on five low-speed settings to better traverse difficult terrain.

- Standard part-time 4WD
- Multi-Terrain Select (MTS) and Crawl Control (CRAWL)[3]
- Locking rear differential

TRD Off-Road Premium

As the name implies, this has all the TRD Off-Road grade’s capability but adds sophistication in the form of a Dynamic Navigation trial[11], Premium Audio with Dynamic POI Search and Dynamic Voice Recognition[18], available Panoramic View Monitor (PVM) [10], and many other convenience features.

- SofTex®-trimmed[8] heated front seats
- SofTex®[8] 40/20/40 split-reclining, fold back second row seating
- Available Multi-Terrain Monitor (MTM)

TRD Pro

This is the 4Runner off-road flagship with TRD-tuned suspension, 17-inch matte-black TRD flow-formed alloy wheels with all-terrain tires, and TRD Pro cat-back exhaust. It all comes with an exclusive TRD Pro-stamped front aluminum skid plate, TRD roof rack[16], a unique heritage-inspired grille, and is available with a new, grade-exclusive Solar Octane exterior color.

- TRD FOX®[19] high-performance shocks with rear remote reservoirs
- TRD-tuned front springs
- Multi-Terrain Monitor (MTM)

Disclaimers

1. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details.
2. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details.
3. Crawl Control is designed for driving on difficult terrain at low speeds and assists driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations and details.
4. Toyota Safety Sense effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details.
5. Requires compatible smartphone. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. Apple CarPlay is a registered trademark of Apple Inc.
6. Android Auto requires compatible smartphone. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. To use Android Auto on your car display, you'll need an Android phone running Android 8 or higher, an active data plan, and the Android Auto app. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC.
7. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
8. SofTex is a registered trademark of Toyota Motor Sales, U.S.A., Inc.
9. Destination Assist depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and Toyota.com/connected-services for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
10. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details.
11. Dynamic Navigation depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See *Owner's Manual* and www.toyota.com/connected-services/ for additional limitations and details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/.

13. JBL is a registered trademark of Harman International Industries, Inc.
14. Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Front and Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details.
15. This floor mat/liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat/liner.
16. Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions.
17. EPA-estimated 16city/19hwy/17comb MPG rating for 2023 4Runner SR5 4x2, SR5 Premium 4x2, Limited 4x2, TRD Sport 4x2, SR5 4x4, SR5 Premium 4x4, Limited 4x4, 40th Anniversary Special Edition 4x4, TRD Sport 4x4, TRD Off-Road 4x4, TRD Off-Road Premium 4x4, and TRD Pro 4x4. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
18. Dynamic Voice Recognition capabilities vary by head unit.
19. Fox is a registered trademark of FOX Factory, Inc.
20. Extra-cost color.
21. Advanced voice recognition capabilities vary by head unit.
22. May not be compatible with all mobile phones, MP3/WMA players and like models.
23. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.

24. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth SIG, Inc.* and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
25. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy**, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. SiriusXM trial length and service availability may vary by model, model year or trim.
26. HD Radio Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
27. Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in *Owner's Manual* and www.toyota.com/connected-services/ for additional limitations and details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply.
28. Requires subscription to Remote Connect. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Digital Key also requires *Bluetooth* connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Toyota *Owner's Manual* and www.toyota.com/connected-services/ for additional details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply.
29. Safety Connect® depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Requires app download/registration and subscription after trial (if applicable). Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and www.toyota.com/connected-services/ for additional details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Safety Connect® trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service.
30. Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Requires app download/registration and subscription after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and www.toyota.com/connected-services/ for additional details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect®, Remote Connect or Drive Connect upon trial expiration. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect®, Remote Connect or Drive Connect upon trial expiration.
31. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of activation and expires when 2 GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply.
32. Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details.
33. Do not exceed 120V. See *Owner's Manual* for additional limitations and details.
34. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details.
35. Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. Neither system is a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the ability of the DAC and HAC to prevent a loss of control. See *Owner's Manual* for additional limitations and details.

36. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See *Owner's Manual* for additional limitations and details.
37. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details.
38. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
39. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details.
40. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details.
41. Lane Departure Alert is designed to read visible lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors, including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details.
42. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service.
43. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details.
44. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details.
45. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details.
46. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. See *Owner's Manual* for limitations.
47. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance is included for two years, unlimited mileage. Roadside Assistance limits towing distances and locations and does not include parts and fluids, except emergency fuel delivery for certain vehicles. Excludes rental company fleet sale vehicles. See your Toyota dealer for additional restrictions and exclusions. Valid only in continental U.S.
48. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.
