

2023 RAV4

Top 5 Facts

- * Offered in nine grades and three different powertrains, as well as seven hybrid grades
- * New Hybrid Woodland Edition
- * New Toyota Audio Multimedia system
- * Wireless Apple CarPlay®[1] and Android Auto™[2] compatibility
- * Standard Toyota Safety Sense™ 2.5 (TSS 2.5)[3]

What's New

RAV4 sees significant updates for 2023, including the addition of the latest Toyota Audio Multimedia system. The Hybrid Woodland Edition also joins the lineup as the first off-road-focused RAV4 Hybrid grade.

Quick Specs

- * 203 hp (gas models) and 219 net hp (hybrid models)[6]
- * EPA-estimated 40 mpg (comb.) on RAV4 Hybrid[7]
- * Up to 69.8 cu. ft. of cargo volume[8]
- * Active Cornering Assist (ACA)
- * Up to 3,500 lbs. towing capacity[9]

Awards

- 2023 Toyota RAV4 is an Insurance Institute for Highway Safety **TSP**[26]
- **Best-selling small SUV** in America for the last 6 years.[24]
- 2022 Toyota RAV4 is a Kelley Blue Book KBB.com **Best Buy**[25]

Key Features

LE

America's best-selling SUV[10] comes prepared for anything even in base trim, with its 203 hp, 2.5-liter engine, an 8-speed transmission, and the choice of front- or all-wheel drive. For 2023, RAV4 LE is better than ever with Toyota Safety Sense™ 2.5[3] standard.

- Latest Toyota Audio Multimedia with 8.0-in. touchscreen
- Wireless Android Auto™[2] & Apple CarPlay®[1] compatibility
- Multi-LED headlights with Automatic High Beams[9]

Hybrid LE

Hybrid LE combines the 2.5-liter engine with front and rear motors for a net 219 hp[6] and up to 40 mpg combined[11] without impacting passenger or cargo space. Electronic-On-Demand AWD gives RAV4 Hybrid the power it needs, where it needs it, and when it needs it.

- Electronically controlled CVT with sequential shift mode
- 17-in., 5-spoke light-gray metallic alloy wheels
- Electronic-On-Demand All-Wheel Drive (AWD)

XLE

XLE adds convenient features like Push-Button Start and a cargo area tonneau cover along with a focus on comfort through its eight-way power-adjustable driver's seat and dual-zone climate control.

- Blind Spot Monitor[7] with Rear Cross-Traffic Alert[8]
- Auto on/off Bi-LED projector headlights
- 17-in., 5-spoke light-gray metallic alloy wheels

Hybrid XLE

Hybrid XLE keeps the convenience and comfort features of XLE, adding the boosted power and efficiency of RAV4 hybrid system's electric motors and the capability of its Electronic-On-Demand All-Wheel Drive.

- Smart Key System on front doors and liftgate
- Low-profile black roof rails[12]
- Electronic-On-Demand All-Wheel Drive (AWD)

Hybrid XLE Woodland Edition

A Toyota-first hybrid off-road[13] special edition, Hybrid Woodland Edition, is based on the Hybrid XLE trim but is equipped for outdoor excursions. The Falken®[14] All-Terrain tires, custom all-weather floor and cargo mats, and mud guards are all ready for a trip into the woods. Only 6,500 units will be available for the 2023 model year.

- TRD-tuned suspension
- 18-in., 6-spoke bronze-colored TRD flow-formed wheels
- Adventure roof rails[12] and cross bars

XLE Premium

A leather-trimmed steering wheel and shifter and SofTex®-trimmed[15] seats are among the upgraded interior materials found in RAV4 XLE Premium. For 2023, the new Toyota Audio Multimedia adds an 8.0-inch touchscreen and can be upgraded to an available 10.5-inch touchscreen.

- Height-adjustable power liftgate
- Power tilt/slide moonroof
- 19-in., multi-spoke metallic-finished alloy wheels

Hybrid XLE Premium

The XLE's SofTex®-trimmed[15] seats, 19-in. wheels and other interior enhancements are joined to the RAV4 hybrid system and Electronic-On-Demand All-Wheel Drive (AWD) in the Hybrid XLE Premium.

- Power tilt/slide moonroof
- Dual-zone automatic climate control
- Electronic-On-Demand All-Wheel Drive (AWD)

Adventure

RAV4 Adventure is ready for just that, with towing capacity of up to 3,500 lbs.[17] and 19-in. wheels in addition to its all-wheel drive drivetrain. Inside is a useful cargo area AC power outlet[18] along with trim pieces and instrumentation unique to this grade.

- Dynamic Torque Vectoring All-Wheel Drive
- Multi-Terrain Select (MTS)
- Downhill Assist Control (DAC)[16]

TRD Off-Road

Take the best of XLE and Adventure's features, add the most off-road capable suspension in the RAV4 lineup[13], and you have RAV4 TRD Off-Road. This grade is topped off with a 10.5-inch touchscreen and red accents through its interior.

- TRD-tuned suspension with unique shocks, struts, and jounce bumpers
- Falken®[14] All-Terrain tires
- 18-in., 6-spoke matte-black TRD flow-formed wheels

Hybrid SE

Hybrid SE picks up from XLE Premium, adding stylish touches like 18-in. black sport alloy wheels, LED front accent lights, and a blue-accented interior.

- Blue stitching on dash, doors, and seats
- Black fabric-trimmed headliner
- Electronic-On-Demand All-Wheel Drive (AWD)

Hybrid XSE

Hybrid XSE builds on Hybrid SE's features with a panoramic glass roof, blue ambient lighting, a 10.5-in. touchscreen, and available 12.3-inch Multi-Information Display (MID) inside, and an available hands-free power liftgate[20] outside.

- Two-tone exterior colors[5]
- Heated front seats
- Auto-dimming rearview mirror with HomeLink®[19] universal transceiver

Limited

Limited represents the top of the line with a standard 10.5-in. touchscreen, 12.3-in. Multi-Information Display (MID), and a JBL®[4] Premium audio system with subwoofer and amplifier. Eight-way power heated and ventilated front seats are found within a handsome, dark-brown accented interior. For those who want more, options like Qi wireless smartphone charging[59] and Panoramic View Monitor[22] are also available.

- 11-speaker JBL®[4] audio system
- Foot-activated power liftgate[20]
- 19-in., multi-spoke metallic-finished alloy wheels

Hybrid Limited

RAV4 Hybrid Limited combines all the outstanding features of the flagship Limited trim with an efficiecnt hybrid drivetrain featuring Electronic-On-Demand All-Wheel Drive (AWD).

- Ventilated front seats with two-position driver's memory
- Available panoramic glass roof with front power tilt/slide moonroof
- Electronic-On-Demand All-Wheel Drive (AWD)

1. To wirelessly use Apple CarPlay on your car display, you need a compatible Apple smartphone with an active data plan. You can check which smartphones are compatible at www.apple.com/ios/carplay/. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. Apple CarPlay is a registered trademark of Apple Inc.
2. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at www.android.com/auto/compatibility/. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC.
3. Toyota Safety Sense effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details.
4. JBL is a registered trademark of Harman International Industries, Inc.
5. Extra-cost color.
6. 219 net combined horsepower.
7. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details.
8. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details.
9. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details.
10. Based on manufacturer estimates, CY 2017-2021 sales.
11. EPA-estimated 41city/38hwy/40comb MPG for 2023 RAV4 Hybrid. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
12. Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions.
13. The Toyota RAV4 is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area.

14. Falken is a registered trademark of Sumitomo Rubber Industries, Ltd.
15. SofTex is a registered trademark of Toyota Motor Sales, U.S.A., Inc.
16. Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. Neither system is a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the ability of the DAC and HAC to prevent a loss of control. See *Owner's Manual* for additional limitations and details.
17. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. Installation of a tow hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. See *Owner's Manual* for limitations.
18. Do not exceed 120V. See *Owner's Manual* for additional limitations and details.
19. HomeLink and the HomeLink house icon are registered trademarks of Gentex Corporation.
20. Installation of a tow hitch receiver or other accessories located near the rear bumper or side door kick sensors, may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See *Owner's Manual* for limitations.
21. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.
22. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details.
23. At speeds of 9 mph or less, Front and Rear Parking Assist with Automated Braking (PA w/AB) is designed to assist drivers in avoiding potential collisions with nearby static objects when the vehicle is in Drive or Reverse and approaching crossing vehicles when the vehicle is in Reverse. Do not overly rely on PA w/AB. Always look around outside the vehicle and use mirrors to confirm clearance. Certain vehicle and environmental factors, including an object or vehicle's shape, size and composition, may affect the system's effectiveness. See *Owner's Manual* for additional limitations and details.
24. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM® services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.
25. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Toyota *Owner's Manual* and at www.toyota.com/connected-services/ for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply.
26. Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in *Owner's Manual* and www.toyota.com/connected-services/ for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply.
27. Safety Connect® depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Requires app download/registration and subscription after trial (if applicable). Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and at toyota.com/connected-services/ for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Safety Connect® trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service.
28. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability

- of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Requires app download/registration and subscription after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and at toyota.com/connected-services for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect®, Remote Connect or Drive Connect upon trial expiration. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect®, Remote Connect or Drive Connect upon trial expiration.
29. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Terms of Use apply.
30. Drive Connect availability and accuracy depend on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Services subject to change at any time without notice. Requires app download/registration and subscription required after trial (if applicable). Terms of Use apply. See *Owner's Manual* and www.toyota.com/connected-services/ for additional limitations and details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Drive Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial (if applicable) to access the service. Terms of Use apply.
31. May not be compatible with all mobile phones, MP3/WMA players and like models.
32. Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details.
33. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth* SIG, Inc. and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
34. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
35. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details.
36. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details.
37. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. Not available on vehicles with manual transmissions. See *Owner's Manual* for additional limitations and details.
38. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat.
39. When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See *Owner's Manual* for additional limitations and details.
40. When the system is on, Brake Hold is designed to keep the brakes engaged after the driver brings the vehicle to a complete stop. It may not hold the vehicle under certain conditions and does not function when the vehicle is in Reverse. Brake Hold is not a substitute for safe and attentive driving. See *Owner's Manual* for additional limitations and details.
41. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details.
42. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details.
43. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details.
44. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
45. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See *Owner's Manual* for additional limitations and details.

46. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details.
47. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions.
48. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331.
49. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details.
50. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service.
51. This device is not a substitute for safe and attentive driving practices. It is the driver's responsibility to maintain a lookout for pedestrians, cyclists, other cars and objects and to drive the vehicle in a safe and attentive manner to avoid making contact.
52. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details.
53. Trailer Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
54. EPA-estimated 27city/35hwy/30comb estimates for 2023 RAV4 LE FWD, XLE FWD, XLE Premium FWD & Limited FWD; 27city/34hwy/30comb estimates for 2023 RAV4 LE AWD; 27city/33hwy/29comb estimates for 2023 RAV4 XLE AWD & XLE Premium AWD; 25city/33hwy/28comb estimates for 2023 RAV4 Adventure & Limited AWD; 25city/32hwy/28comb estimates for 2023 RAV4 TRD Off-Road; 41city/38hwy/40comb estimates for 2023 RAV4 Hybrid; 38city/35hwy/37comb estimates for 2023 RAV4 Hybrid Woodland Edition. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
55. For Toyota hybrid, plug-in hybrid, and fuel cell and battery electric vehicles beginning with model year 2020, the hybrid (HV) battery is covered for 10 years from original date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See *Owner's Warranty and Maintenance Guide* for details.
56. Hybrid-related components are covered for 8-years from original date of first use or 100,000 miles, whichever comes first. The HV battery may have longer coverage under emissions warranty. See *Owner's Warranty and Maintenance Guide* for details.
57. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance is included for two years, unlimited mileage. Roadside Assistance limits towing distances and locations and does not include parts and fluids, except emergency fuel delivery for certain vehicles. Excludes rental company fleet sale vehicles. See your Toyota dealer for additional restrictions and exclusions. Valid only in the continental U.S.
58. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
59. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products.
