

2024 4Runner

Top 5 Facts

- * 7 grades, including four TRD models
- * New Terra exterior color on TRD Pro
- * Available part-time or full-time four-wheel drive
- * Available Multi-Terrain Select and Crawl Control[12]
- * Tough body-on-frame construction

What's New

Toyota 4Runner offers the ideal balance of on and off-road[1] performance wrapped in a tough and versatile SUV. For 2024, it returns with enhanced style thanks to the addition of the new Terra exterior color on TRD Pro and the return of Solar Octane as an exclusive option TRD Sport, TRD Off-Road, and TRD Off-Road Premium.

Quick Specs

Key Features

SR5

4Runner SR5 provides a great balance between on and off-road capability[45]. With its standard six-cylinder engine and available part-time 4WD system, it has the best of both worlds. Plus a generous amount of standard features, which includes the Smart Key System, ensures maximum convenience.

- Toyota Safety Sense™ P (TSS-P)[1]
- 8-in. Audio Multimedia touchscreen
- Blind Spot Monitor (BSM)[2] with Rear Cross-Traffic Alert (RCTA)[3]

SR5 Premium

SR5 Premium brings added convenience with many extra standard and available features. These include a heated steering wheel and the available Multi-Terrain Monitor, the latter of which helps drivers by providing a better view of what's ahead when off the beaten path.

- SofTex®-trimmed[5] heated front seats
- Destination Assist[6]
- Available Panoramic View Monitor (PVM)[7]

Limited

Limited adds an upscale ambiance to 4Runner with plenty of creature comforts like dual-zone automatic climate control, driver's seat memory, and the available Panoramic View Monitor[7]. Plus, the X-REAS Sport Enhancement Suspension ensure great stability on and off the pavement, while its available locking center differential helps puts power down efficiently.

- Perforated, leather-trimmed, heated, and ventilated front seats
- 15-speaker JBL®[8] audio system
- Available full-time 4WD

TRD Sport

TRD Sport gives 4Runner improved on-road performance along with distinct styling cues like a color-keyed TRD hood scoop. Features like the X-REAS Sport Enhancement Suspension enhance handling, giving this 4Runner the substance to back up its appearance.

- 20-in. split 6-spoke alloy wheels
- TRD Sport carpet floor mats[9]
- Black roof rails[10]

TRD Off-Road

4Runner's TRD Off-Road grade puts an emphasis on off-road performance[45]. That focus goes beyond its looks thanks to features like the Kinetic Dynamic Suspension System. Additional skid plates have also been included for added protection when driving on trails.

- Standard part-time 4WD
- Multi-Terrain Select (MTS) and Crawl Control (CRAWL)[11]
- Locking rear differential

TRD Off-Road Premium

TRD Off-Road Premium combines 4Runner's rugged capability with even more comfort for long journeys. With features like a 4-way power-adjustable front passenger's seat and a heated steering wheel, this grade proves that the ability to go nearly anywhere and comfort can coexist.

- SofTex®-trimmed[5] heated front seats
- SofTex®-trimmed[5] 40/20/40 split-reclining, fold back second row seating
- Available Multi-Terrain Monitor (MTM)

TRD Pro

TRD Pro is the ultimate off-road machine in the 4Runner lineup. Featuring all-terrain tires, part-time AWD, and locking rear differential, this grade has all the tools necessary to help drivers go nearly anywhere. Plus, distinct details like a TRD Pro aluminum skid plate and the

new Terra exterior color help this capable machine stand out.

- TRD FOX®[12] high-performance shocks with rear remote reservoirs
- TRD-tuned front springs
- Multi-Terrain Monitor (MTM)

Disclaimers

1. Toyota Safety Sense effectiveness depends on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner’s Manual* for limitations.
2. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner’s Manual* for limitations.
3. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner’s Manual* for limitations.
4. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
5. SofTex is a registered trademark of Toyota Motor Sales, U.S.A., Inc.

6. Depends on certain factors outside of Toyota's control in order to operate, including cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Use common sense when relying on this information. Service is subject to change at any time without notice. Terms of Use apply. Data charges may apply. See www.toyota.com/connected-services/ for details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacyrights/.
7. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See *Owner's Manual* for limitations.
8. JBL is a registered trademark of Harman International Industries, Inc.
9. This floor mat/liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat/liner.
10. Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions.
11. Crawl Control is designed for driving on difficult terrain at low speeds and assists driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations.
12. Fox is a registered trademark of FOX Factory, Inc.
13. Operability and accuracy of Dynamic Navigation depends on certain factors outside of Toyota's control in order to operate, including cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service is subject to change at any time without notice. Paid subscription required after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and www.toyota.com/connected-services/ for limitations. 19. Charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.
20. A compatible Bluetooth enabled phone must be paired. Phone performance depends on software, coverage and carrier. The Bluetooth word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license.
21. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.
22. HD Radio Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
23. Toyota Connected Services depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Services vary by vehicle and are subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and www.toyota.com/connected-services/. For Toyota's Connected Services' data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable).
24. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child. Remote Connect depends on certain factors outside of Toyota's control in order to operate, including cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Remote start/stop not available on manual transmission-equipped vehicles. Terms of Use apply. Data charges may apply. See *Owner's Manual* and www.toyota.com/connected-services/ for usage precautions and limitations. To learn about Toyota's connected services data collection, use, sharing and retention practices, visit www.toyota.com/support/privacy-rights/.
25. Safety Connect depends on certain factors outside of Toyota's control in order to operate, including cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and www.toyota.com/connected-services/. For Toyota's connected

services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/.

26. Information provided is based on the last time data was collected from the vehicle & is not real time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, & the availability of a compatible wireless network, without which system functionality & availability may be limited or precluded. Service may vary by vehicle & region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions & service limitations in *Owner's Manual* and www.toyota.com/connected-services/ for additional details. To learn about Toyota's connected services data collection, use, sharing & retention practices, please visit www.toyota.com/support/privacy-rights/.
27. Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 2GB data use or the 3 month trial period ends. Paid subscription required after trial. Data charges may apply. Valid in the contiguous U.S. and Alaska. Go to myvehicle.att.com/#/toyota/learn?language=en&country=US for terms and conditions.
28. Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details.
29. Rated for 400 watts for a single outlet for short term use. See *Owner's Manual* for additional limitations and details.
30. Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag See *Owner's Manual* for limitations.
31. The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See *Owner's Manual* for limitations.
32. Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and Hill-Start Assist Control is designed to help minimize backward rolling on steep ascents. Neither system is a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the ability of the DAC and HAC to prevent a loss of control. See *Owner's Manual* for additional limitations.
33. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See *Owner's Manual* for additional limitations and details.
34. Smart Stop Technology will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See *Owner's Manual* for limitations.
35. Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See *Owner's Manual* for limitations.
36. Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for instructions and limitations.
37. Automatic high beams operate at speeds above 25 mph. See *Owner's Manual* for instructions and limitations.
38. Lane Departure Alert is designed to read visible lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors, including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details.
39. The engine immobilizer is a state-of-the-art anti-theft system initiated when key is inserted into ignition switch or a Smart Key fob is in/near vehicle. Engine will only start if the code in transponder chip inside the key/fob matches code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or FOB, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service.
40. Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions with certain objects at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for instructions and limitations.
41. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for limitations and details.
42. EPA-estimated 16city/19hwy/17comb MPG rating for 2024 4runner. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
43. Never tow beyond a vehicle's published towing capacities. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. Follow all instructions in your *Owner's Manual*.
44. ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage. Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions.
45. The Toyota 4Runner is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in personal injury or vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment.
46. The Rear Seat Reminder does not sense objects in the rear seat. The Rear Seat Reminder is designed to recognize a unique rear door opening pattern that may be consistent with an object being placed in the rear seating area. See *Owner's Manual* for additional details.
