

2025 RAV4 Plug-In Hybrid

Top 5 Facts

- * Plug-in Hybrid powertrain with 302 net combined hp[18]
- * Standard Electronic On-Demand All-Wheel Drive (AWD)
- * Toyota Audio Multimedia with wireless Apple CarPlay®[9] and wireless Android Auto™ [10] compatibility
- * Toyota Safety Sense™ 2.5+[2]
- * Standard 6.6 kW onboard charger

What's New

With 302 net combined horsepower, RAV4 Plug-in Hybrid is one of the most powerful Toyota models outside of the GR sports car family. For 2025, this electrified small SUV sports an enticing blend of versatility, technology, and engaging driving dynamics. On top of that, RAV4 Plug-in Hybrid has the looks to match, thanks to an available two-tone exterior[1] and available 19-inch alloy wheels.

Awards

- Awards coming soon.

Models

Model Code	Trim Name	Full Name	Engine
4544	SE	SE (AWD)	2.5L 4-Cyl.
4550	XSE	XSE (AWD)	2.5L 4-Cyl.

Key Features

SE

RAV4 Plug-in Hybrid combines a potent plug-in hybrid electric powertrain with 302 net combined horsepower[54] and standard Electronic On-Demand AWD. As a result, RAV4 Plug-in Hybrid can be driven as a fuel efficient hybrid EV on long drives – or in EV-only mode, with an manufacturer-estimated range of up to 42 miles[2] and no carbon tailpipe emissions.

- Toyota Safety Sense™ 2.5+[1]
- Toyota Audio Multimedia with 8.0-in. touchscreen
- Dual-zone climate control
- 60/40 split fold-down rear seats
- Available power tilt/slide moonroof

XSE

The RAV4 Plug-in Hybrid XSE grade ups the sporty looks thanks to the addition of features like a two-tone exterior color[3], 19-inch alloy wheels, and red-painted shock absorbers. Plus, comfort is enhanced with conveniences like available ventilated front seats and heated outboard rear seats.

- SofTex®-trimmed seats
- Blue ambient illumination
- 12.3-inch digital gauge cluster
- Available panoramic glass roof
- Vertical LED accent lights

Disclaimers

1. Toyota Safety Sense effectiveness depends on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for limitations.
2. EPA-estimated 42 comb all-electric driving range rating for 2025 RAV4 PHEV on a full charge. Operates at speeds up to 42 mph. For comparison purposes only. Mileage will vary for many reasons, including vehicle's condition and how/where you drive. Battery capacity also decreases with time and use which will reduce range. See www.fueleconomy.gov.
3. Extra-cost color.
4. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See *Owner's Manual* for limitations.
5. HomeLink and HomeLink® house icon are registered trademarks of Gentex Corporation.
6. Rated for 1500 watts for a single outlet for short term use. See *Owner's Manual* for additional limitations and details.
7. Water, weather, dirt, and other conditions may cause the hands-free power liftgate sensor to not operate properly. See *Owner's Manual* for limitations.
8. Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for instructions and limitations.
9. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check androidauto.com requirements for compatibility. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-notice/. Android and Android Auto are trademarks of Google LLC.
10. Apple CarPlay requires a compatible iPhone with an active data plan. Check compatibility at www.apple.com/ios/carplay/. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-notice/. Apple CarPlay and iPhone are registered trademarks of Apple Inc.
11. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.
12. JBL is a registered trademark of Harman International Industries, Inc.
13. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital

Key also requires Bluetooth connectivity. Not available on manual transmissions. Services require account registration through Toyota App and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply.

14. Toyota Connected Services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the Connected Services will not work, and Toyota will need to discontinue impacted services. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing and retention practices and agreements, see www.toyota.com/support/privacy-notice/. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable).
15. Safety Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work, and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Services require account registration through Toyota App and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/.
16. Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work, and will need to be discontinued. Information provided is based on the last time data was collected from vehicle and is not real time data. Services require account registration through Toyota App and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/.
17. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota App and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply.
18. Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to myvehicle.att.com/#/toyota/learn?language=en&country=US for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends.
19. Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details.
20. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.
21. Charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.
22. A compatible Bluetooth enabled phone must be paired. Phone performance depends on software, coverage and carrier. The Bluetooth word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license.
23. Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for instructions and limitations.
24. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations.
25. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for limitations.
26. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat.
27. Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag See *Owner's Manual* for limitations.

28. The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See *Owner's Manual* for limitations.
29. When system is on, Electric Parking Brake is designed to engage Parking Brake under limited conditions and may not hold vehicle under all conditions. See *Owner's Manual* for additional limitations.
30. When the system is on and the vehicle is in Drive, Brake Hold may temporarily keep the brakes engaged after the driver brings the vehicle to a complete stop. See *Owner's Manual* for limitations.
31. Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See *Owner's Manual* for limitations.
32. Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving practices. Speed, grade, surface conditions, driver input, etc. can affect HAC function. See *Owner's Manual*.
33. Smart Stop Technology will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See *Owner's Manual* for limitations.
34. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to help reduce the crash speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of vehicle, pedestrian or bicyclist and weather, light and road conditions. See *Owner's Manual* for limitations.
35. Requires cellular network availability, a cellular connection and GPS signal. May not work in all areas. Service may vary by vehicle and region. See Toyota dealer for details and exclusions.
36. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance, contact the Toyota Brand Engagement Center at 1-800-331-4331.
37. Automatic high beams operate at speeds above 25mph. See *Owner's Manual* for instructions and limitations.
38. Road Sign Assist only recognizes certain road signs. See *Owner's Manual* for limitations.
39. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations.
40. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations.
41. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for limitations and details.
42. Trailer Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under certain conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for limitations.
43. The engine immobilizer is a state-of-the-art anti-theft system initiated when key is inserted into ignition switch or a Smart Key fob is in/near vehicle. Engine will only start if the code in transponder chip inside the key/fob matches code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or FOB, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service.
44. When Vehicle Proximity Notification System is active, it is the driver's responsibility to maintain a lookout for pedestrians, cyclists, other cars and objects and to drive the vehicle in a safe and attentive manner to avoid making contact.
45. Charging time may be longer using standard 120V outlet. Always plug-in/charge vehicle in accordance with *Owner's Manual*.
46. A 240V NEMA 14-50 outlet is required for Level 2 charging. Electrical outlets for use with the dual voltage charging cable must be installed by a licensed, qualified electrician.
47. EPA-estimated 94 MPGe rating for 2025 RAV4 PHEV. MPGe is the EPA-equivalent of gasoline fuel efficiency for electric operation. EPA-estimated 40city/36hwy/38comb gas-only MPG. Use for comparison purposes only. Your MPGe/MPG will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
48. Never tow beyond a vehicle's published towing capacities. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. Follow all instructions in your *Owner's Manual*. Installation of a tow hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Follow all instructions in your *Owner's Manual*.
49. For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, hybrid (HV) battery covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage subject to the terms and conditions of New Vehicle Limited Warranty. See www.toyota.com/owners/warranty-owners-manuals/ for details.
50. Hybrid-related components covered for 8 years from date of first use or 100,000 miles, whichever comes first. HV battery may have longer coverage under emissions warranty. See www.toyota.com/owners/warranty-owners-manuals/ for details.
51. ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage. Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions.
52. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
53. Payload includes the weight of occupants, cargo and options and is limited by weight distribution.
54. 302 net combined horsepower.
