

2025 Tacoma

Top 5 Facts

- * Standard turbocharged engine on gas grades
- * Available i-FORCE MAX Hybrid EV system
- * Performance-oriented TRD Pro and Trailhunter models
- * Toyota Audio Multimedia with available 14-in. touchscreen
- * Toyota Safety Sense™ 3.0[1]

What's New

For 2025, the Toyota Tacoma continues to offer a lineup that includes well-equipped core grades and capable off-road performance models.[18] Available with gas or Hybrid EV powertrains, and on or off-road-oriented variants, Tacoma brings something for every driver.

Awards

- 2025 Toyota Tacoma Crew Cab is an Insurance Institute for **Highway Safety TSP**.
- 2025 Toyota Tacoma is a Kelley Blue Book KBB.com **Best Buy**. [19]
- The Toyota Tacoma has been America's **best-selling midsize pickup** for the last 20 years.[20]

Models

Model Code	Trim Name	Full Name	Engine

7598	TRD Pro	TRD Pro (i-FORCE MAX 5-ft. bed Double Cab 8AT 4WD)	2.4L 4-cyl. Turbo

Key Features

SR

Tacoma's base SR grade offers plenty of standard equipment and plenty of capability to get through work and everyday tasks. With its standard turbocharged powertrain, this midsize pickup backs up its rugged good looks with capability. Should drivers want maximum control of Tacoma's turbocharged power, an available six-speed manual transmission provides just that.

- Standard turbocharged 4-cyl. engine
- Double Cab or XtraCab configurations
- Toyota Safety Sense™ 3.0[1]
- Audio Multimedia with 8-in. touchscreen
- LED headlights

SR5

SR5 enhances Tacoma's value proposition with added convenience features. On top of that, an available 10-speaker JBL®[2] Premium Audio System elevates the listening experience to new heights.

- Available power sliding rear window with privacy glass
- Available automatic climate control
- 6-speaker audio system
- Smart Key System

TRD PreRunner

TRD PreRunner is the first of four TRD performance grades. Available only in an XtraCab and rear wheel drive configuration, this Tacoma variant includes a lifted front suspension and all-terrain tires for added capability during off-road driving.[6]

- 17-in. alloy wheels
- Available bed storage box
- Fold flat passenger seat
- Electronic locking rear differential

TRD Sport

Tacoma TRD Sport is the street-oriented performance variant, offering a choice between gas and i-FORCE MAX hybrid EV powertrains. Additionally, the former can also be equipped with a six-speed manual transmission for drivers that want added control of its turbocharged power.

- 18-in. machined alloy wheels
- Available 6-speed manual transmission
- Qi-compatible wireless charging[3]
- Available Digital Key[4] (requires an active Remote Connect trial or subscription. 4G network dependent)

TRD Off-Road

On the other end of the spectrum is Tacoma TRD Off-Road, the first of three performance models focused on off-road capability.[6] Available with either a turbocharged engine or the i-FORCE MAX hybrid EV system, this rugged pickup allows drivers to go off the beaten path.

- 17-in. machined alloy wheels
- All-terrain tires
- Available 400W/120V AC power supply[5]
- Available heated front seats

Limited

Tacoma's Limited grade is all about a premium experience while maintaining its legendary capability. The available Full-Time 4WD system with locking center differential ensures it puts power down effectively whether on or off the pavement. Plus, rich appointments elevate the overall experience by adding an extra layer of comfort and convenience.

- Heated and ventilated front seats
- Available i-FORCE MAX Hybrid EV system
- 14-in. Audio Multimedia display
- 10-speaker JBL®[2] Premium Audio System with JBL®[2] Flex® Speaker

Trailhunter

Tailored specifically for overlanding, a type of off-roading where the journey is the focal point, Tacoma Trailhunter is built to go far off the beaten path.[6] Together with its powerful Hybrid EV powertrain and suspension, it features unique details like an ARB® sports bar and Rigid Industries®[7] fog lights that help it stand out. Plus, features like an available in-bed 2,400-watt AC power supply[8] allows drivers to remain plugged in while out in the wilderness.

- Low profile, high-mount air intake
- Lifted suspension with Old Man Emu® shocks
- 18-in. bronze-finish alloy wheels
- High-clearance trail exhaust tip

TRD Pro

While Trailhunter is built to go far, Tacoma's TRD Pro grade is all about thrills. This off-road beast is all about fun on the dirt and it backs that up with the right hardware, including a standard part-time 4WD system, an electronically controlled locking rear differential, all-terrain and a TRD Pro off-road suspension with Fox®[9] shocks.

- TRD black performance exhaust
- Bed-mounted 2400W/120V AC power supply[8]
- IsoDynamic performance front seats
- 18-in. TRD Pro alloy wheels

Disclaimers

1. Toyota Safety Sense effectiveness depends on many factors including road, weather and vehicle conditions. Drivers are responsible

for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for limitations.

2. JBL is a registered trademark of Harman International Industries, Inc.
3. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.
4. Digital Key requires active Remote Connect subscription. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth connectivity. Not available on manual transmissions. Services require account registration through Toyota App and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply.
5. Do not exceed 120V. See *Owner's Manual* for additional limitations and details.
6. The Toyota Tacoma is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in personal injury or vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment.
7. Rigid Industries is a registered trademark of JST Performance, LLC d/b/a Rigid Industries.
8. Rated for 2400 watts for a single three-prong outlet for short term use. See *Owner's Manual* for additional limitations and details.
9. FOX is a registered trademark of FOX Factory, Inc.
10. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations.
11. Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for instructions and limitations.
12. Integrated Trailer Brake Controller is an electronic system that operates in tandem with a trailer equipped with an electric braking system. It is designed to help the driver maintain trailer control by increasing or reducing trailer braking based on trailer weight. It is not a substitute for safe towing practices. Factors including speed, weather, road conditions and driver input can all affect trailer braking control. See *Owner's Manual* for limitations.
13. Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions with certain objects at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for instructions and limitations.
14. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See *Owner's Manual* for limitations.
15. HomeLink and HomeLink® house icon are registered trademarks of Gentex Corporation.
16. Goodyear is a registered trademark of The Goodyear Tire & Rubber Company.
17. Apple CarPlay requires a compatible iPhone with an active data plan. Check compatibility at www.apple.com/ios/carplay/. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-notice/. Apple CarPlay and iPhone are registered trademarks of Apple Inc.
18. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check androidauto/ requirements for compatibility. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-notice/. Android and Android Auto are trademarks of Google LLC.
19. A compatible Bluetooth enabled phone must be paired. Phone performance depends on software, coverage and carrier. The Bluetooth word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license.
20. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.
21. Toyota Connected Services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the Connected Services will not work, and Toyota will need to discontinue impacted services. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing and retention practices and agreements, see www.toyota.com/support/privacy-notice/. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable).
22. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota App and

acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. Trial period begins on original purchase or lease date of new vehicle Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply.

23. Safety Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work, and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Services require account registration through Toyota App and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/.
24. Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work, and will need to be discontinued. Information provided is based on the last time data was collected from vehicle and is not real time data. Services require account registration through Toyota App and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/.
25. Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Paid subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Data charges may apply. Valid in the contiguous U.S. and Alaska. Go to myvehicle.att.com/#/toyota/learn?language=en&country=US for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends.
26. Crawl Control is designed for driving on difficult terrain at low speeds and assists driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations.
27. Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and Hill-Start Assist Control is designed to help minimize backward rolling on steep ascents. Neither system is a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the ability of the DAC and HAC to prevent a loss of control. See *Owner's Manual* for additional limitations.
28. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat.
29. Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag See *Owner's Manual* for limitations.
30. The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See *Owner's Manual* for limitations.
31. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to help reduce the crash speed and damage in certain frontal collisions involving a vehicle, a pedestrian, bicyclist or motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of vehicle, pedestrian, bicyclist or motorcyclist and weather, light and road conditions. See *Owner's Manual* for limitations.
32. Smart Stop Technology will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See *Owner's Manual* for limitations.
33. Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See *Owner's Manual* for limitations.
34. The backup camera does not provide a comprehensive view of the rear area of the vehicle/trailer. When using straight path assist, driver should confirm clearance and is still responsible for safe operation. See *Owner's Manual* for limitations.
35. Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for instructions and limitations.
36. When system is on, Electric Parking Brake is designed to engage Parking Brake under limited conditions and may not hold vehicle under all conditions. See *Owner's Manual* for additional limitations.
37. Automatic high beams operate at speeds above 21 mph. See *Owner's Manual* for instructions and limitations.
38. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations.
39. Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See *Owner's Manual* for additional limitations and details.

40. Road Sign Assist only recognizes certain road signs. See *Owner's Manual* for limitations.
41. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. Not available on vehicles with manual transmissions. See *Owner's Manual* for limitations.
42. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations.
43. The engine immobilizer is a state-of-the-art anti-theft system initiated when key is inserted into ignition switch or a Smart Key fob is in/near vehicle. Engine will only start if the code in transponder chip inside the key/fob matches code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or FOB, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service.
44. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for limitations and details.
45. Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds. See *Owner's Manual* for additional limitations and details.
46. EPA-estimated 20 city/26 highway/23 combined mpg rating for 2025 Tacoma SR 4x2 2.4L i-FORCE automatic; EPA-estimated 19 city/24 highway/21 combined mpg rating for 2025 Tacoma SR, SR5 4x4 2.4L i-FORCE automatic; EPA-estimated 18 city/23 highway/20 combined mpg rating for 2025 Tacoma SR 4x2, TRD Sport 4x2, TRD Off-Road 4x4 2.4L i-FORCE manual; EPA-estimated 21 city/26 highway/23 combined mpg rating for 2025 Tacoma SR5 4x2 2.4L i-FORCE automatic; EPA-estimated 20 city/24 highway/22 combined mpg rating for 2025 Tacoma TRD PreRunner, TRD Sport 4x2 2.4L i-FORCE automatic; EPA-estimated 19 city/23 highway/21 combined mpg rating for 2025 Tacoma TRD Sport, TRD Off-Road 4x4 2.4L i-FORCE automatic; EPA-estimated 19 city/23 highway/21 combined mpg rating for 2025 Tacoma TRD Off-Road 4x4 2.4L i-FORCE automatic; EPA-estimated 20 city/23 highway/21 combined mpg rating for 2025 Tacoma Limited 4x4 2.4L i-FORCE automatic. Projected EPA-estimated 22 city/24 highway/23 combined mpg rating for 2025 Tacoma TRD Sport, TRD Off-Road, Trailhunter, TRD Pro 4x4 2.4L i-FORCE MAX automatic as determined by manufacturer; projected EPA-estimated 23 city/24 highway/23 combined mpg rating for 2025 Tacoma Limited 4x4 2.4L i-FORCE MAX automatic as determined by manufacturer. EPA estimates available only for models as noted at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
47. Never tow beyond a vehicle's published towing capacities. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. Follow all instructions in your *Owner's Manual*.
48. Hybrid-related components covered for 8 years from date of first use or 100,000 miles, whichever comes first. HV battery may have longer coverage under emissions warranty. See www.toyota.com/owners/warranty-owners-manuals/ for details.
49. For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, hybrid (HV) battery covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage subject to the terms and conditions of New Vehicle Limited Warranty. See www.toyota.com/owners/warranty-owners-manuals/ for details.
50. ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage. Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions.
51. Payload includes the weight of occupants, cargo and options and is limited by weight distribution.
52. Liftgate requires key fob present.
