

2025 Tundra

5 Things You Need to Know

- * New TRD Rally Package
- * Available i-FORCE MAX Hybrid EV powertrain
- * Available TRD Pro and Capstone grades
- * Toyota Audio Multimedia with available 14-in. touchscreen
- * Toyota Safety Sense™ 2.5[2]

What's New

Toyota Tundra continues to offer a broad range that includes variants that are at home at work or at play. From the capable TRD Pro to the refined Capstone, Tundra has something for every driver. For 2025, the SR5 grade's available TRD Rally Package blends eye-catching design with capable off-road performance[1].

Awards

- 2025 Toyota Tundra Extended Cab is an Insurance Institute for **Highway Safety TSP**.
- 2025 Toyota Tundra Crew Cab is an Insurance Institute for **Highway Safety TSP+**.

Key Features

SR

SR's standard twin-turbo V6 makes 358 horsepower for robust capability and usability. Available with a choice of two cab styles and three bed lengths, Tundra's SR grade offers strong value right out of the gate.

- 10-speed electronically-controlled automatic transmission with uphill/downhill shift logic
- Available 4WDemand part-time 4-wheel drive with electronically-controlled 2-speed transfer case and automatic limited-slip differential
- Toyota Safety Sense™ 2.5 (TSS 2.5)[1]

SR5

In SR5 grades, the output of Tundra's twin-turbo V6 increases to 389 horsepower. Additionally, it gains conveniences like available heated front seats and Panoramic View Monitor[2]. Furthermore, the available TRD Sport package brings enhanced handling to Tundra SR5.

- Deck rail header and side rails with adjustable tie-down cleats

- LED fog lights
- SR5 grille with the color-keyed outer frame and black horizontal-bar inner grille
- Available TRD Rally Package

Limited

More creature comforts headline Tundra's Limited grade. Features like ventilated front seats and 10-way power adjustable front seats add an extra layer of convenience to every drive. Plus, the available i-FORCE MAX hybrid system brings robust performance with the help of electrification.

- 20-in. alloy wheels
- Dual-zone climate control
- Chrome-finish grill and exterior trim

Platinum

Tundra's Platinum grades liven things up with sporty touches like the blue-colored contrast stitching inside the cabin. More standard features, like heated and ventilated rear seats, bring more comfort to passengers. The massive 14-inch touchscreen, on the other hand, helps occupants stay connected.

- Gloss black exterior trim
- Power tilt/slide panoramic roof with power sunshade
- Premium LED headlights with automatic leveling adjustment

1794 Edition

Luxurious, yet rugged, Tundra 1794 Edition boasts an incredibly premium cabin with plenty of unique design touches. Available in CrewMax configuration with a choice of tow bed lengths, and gas or hybrid powertrain, blends proven capability with an upscale feel.

- 20-in. machined-finish alloy wheels with P265/60R20 tires
- American walnut wood-grain interior trim
- Chrome-finish "TUNDRA" stamped grille valance, sideview mirrors, and rear bumper accents

TRD Pro

TRD Pro is the pinnacle of off-road[4] performance in the Tundra lineup. Featuring the i-

FORCE MAX hybrid system as standard and unique design cues like the available Cockpit Red interior, Tundra TRD Pro blends incredible power with go-anywhere capability.

- TRD Pro off-road suspension with 1.1-in. front lift, 2.5-in. FOX®[3] Internal Bypass coil-overs and rear remote-reservoir shocks, and TRD Pro front stabilizer bar
- Red TRD front coil-over springs and stabilizer bar
- Smoked-finish premium LED headlights

Capstone

Capstone takes Tundra's premium game up a level with unique touches like semi-aniline leather-trimmed seats and standard Adaptive Variable Suspension. Plus features like heated and ventilated front and rear seats ensure optimum comfort for all occupants.

- 22-in. dark-chrome-finish alloy wheels with P265/50R22 tires
- Capstone grille with color-keyed outer frame and chrome-finish inner grille pattern
- Backlit "CAPSTONE" passenger-side instrument panel badge and floor mats[32], front door badge

Disclaimers

1. Toyota Safety Sense effectiveness depends on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for limitations.
2. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See *Owner's Manual* for limitations.
3. FOX is a registered trademark of FOX Factory, Inc.
4. The Toyota Tundra is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in personal injury or vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment.
5. Do not exceed 120V. See *Owner's Manual* for additional limitations and details.
6. JBL is a registered trademark of Harman International Industries, Inc.
7. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations.
8. Extra-cost color.
9. Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for instructions and limitations.
10. The backup camera does not provide a comprehensive view of the rear area of the vehicle/trailer. When using straight path assist, driver should confirm clearance and is still responsible for safe operation. See *Owner's Manual* for limitations.
11. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.
12. Charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.
13. Bilstein is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY.

14. Crawl Control is designed for driving on difficult terrain at low speeds and assists driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations.
15. Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and Hill-Start Assist Control is designed to help minimize backward rolling on steep ascents. Neither system is a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the ability of the DAC and HAC to prevent a loss of control. See *Owner's Manual* for additional limitations.
16. Falken is a registered trademark of Sumitomo Rubber Industries, Ltd.
17. SofTex is a registered trademark of Toyota Motor Sales, U.S.A., Inc.
18. Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions.
19. BedStep is a registered trademark of Lund Motion Products, Inc.
20. BBS is a registered trademark of BBS of America, Inc.
21. Michelin is a registered trademark of Michelin North America, Inc.
22. Apple CarPlay requires a compatible iPhone with an active data plan. Check compatibility at www.apple.com/ios/carplay/. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-notice/. Apple CarPlay and iPhone are registered trademarks of Apple Inc.
23. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check androidauto.com requirements for compatibility. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-notice/. Android and Android Auto are trademarks of Google LLC.
24. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.
25. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services may vary and are subject to change without notice. Services require account registration through Toyota App and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply.
26. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through Toyota App and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply.
27. Safety Connect depends on certain factors outside of Toyota's control in order to operate, including 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Services may vary and are subject to change without notice. Services require account registration through Toyota App and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. A Safety Connect trial is included for up to 10 years on select vehicles with paid Connected Services packages. See your Toyota dealer for details. 4G network dependent.
28. Service Connect depends on operative telematics device, 4G network availability and other factors beyond Toyota's control in order to operate, including 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Information provided is based on the last time data was collected from vehicle and is not real time data. Services may vary and are subject to change without notice. Services require account registration through Toyota App and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. The Service Connect trial is included for up to 10 years. 4G network dependent.
29. Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal.

Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Paid subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Data charges may apply. Valid in the contiguous U.S. and Alaska. Go to myvehicle.att.com/#/toyota/learn?language=en&country=US for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends.

30. Toyota Connected Services depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Services vary by vehicle and are subject to change at any time without notice. Services require account registration through Toyota App and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/privacyvts. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable). For Safety Connect, stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. For Remote Connect, start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Drive Connect service not available in every city or roadway. For Service Connect, information provided is based on the last time data was collected from vehicle and is not real time data. Wi-Fi Connect service not available everywhere or in every vehicle. Valid in contiguous U.S. and Alaska. Up to 5 devices supported. Integrated Streaming requires subscription for third-party provider services. Wi-Fi Connect trial (if applicable) begins at time of enrollment and expires the earlier of 3GB of data is used or 30 days after enrollment.
31. Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details.
32. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat.
33. Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag See *Owner's Manual* for limitations.
34. The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See *Owner's Manual* for limitations.
35. When system is on, Electric Parking Brake is designed to engage Parking Brake under limited conditions and may not hold vehicle under all conditions. See *Owner's Manual* for additional limitations.
36. Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See *Owner's Manual* for limitations.
37. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to help reduce the crash speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of vehicle, pedestrian or bicyclist and weather, light and road conditions. See *Owner's Manual* for limitations.
38. Smart Stop Technology will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See *Owner's Manual* for limitations.
39. Integrated Trailer Brake Controller is an electronic system that operates in tandem with a trailer equipped with an electric braking system. It is designed to help the driver maintain trailer control by increasing or reducing trailer braking based on trailer weight. It is not a substitute for safe towing practices. Factors including speed, weather, road conditions and driver input can all affect trailer braking control. See *Owner's Manual* for limitations.
40. Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for instructions and limitations.
41. Requires cellular network availability, a cellular connection and GPS signal. May not work in all areas. Service may vary by vehicle and region. See Toyota dealer for details and exclusions.
42. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance, contact the Toyota Brand Engagement Center at 1-800-331-4331.
43. Automatic high beams operate at speeds above 25 mph. See *Owner's Manual* for instructions and limitations.
44. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations.
45. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for limitations.
46. Road Sign Assist only recognizes certain road signs. See *Owner's Manual* for limitations.
47. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations.
48. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for limitations and details.
49. Trailer Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under certain conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for limitations.
50. Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds.

See *Owner's Manual* for additional limitations and details.

51. Projected EPA-estimated 18 city/23 highway/20 combined MPG rating for 2025 Tundra SR 4x2, SR5 4x2, and Limited 4x2; EPA-estimated 17 city/23 highway/19 combined MPG rating for 2025 Tundra SR 4x4 and SR5 4x4; EPA-estimated 17 city/22 highway/19 combined MPG rating for 2025 Tundra Limited 4x4; Platinum 4x4, and 1794 Edition 4x4; EPA-estimated 20 city/24 highway/22 combined MPG rating for 2025 Tundra Limited 4x2 Hybrid; EPA-estimated 19 city/22 highway/21 combined MPG rating for 2025 Tundra Limited 4x4 Hybrid; EPA-estimated 19 city/22 highway/20 combined MPG rating for 2025 Tundra Platinum 4x4 Hybrid, 1794 Edition 4x4 Hybrid, and Capstone 4x4 Hybrid; EPA-estimated 18 city/20 highway/19 combined MPG rating for 2025 Tundra TRD Pro 4x4 Hybrids determined by manufacturer. EPA estimates not available at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
52. Never tow beyond a vehicle's published towing capacities. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. Follow all instructions in your *Owner's Manual*.
53. Hybrid-related components covered for 8 years from date of first use or 100,000 miles, whichever comes first. HV battery may have longer coverage under emissions warranty. See www.toyota.com/owners/warranty-owners-manuals/ for details.
54. For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, hybrid (HV) battery covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage subject to the terms and conditions of New Vehicle Limited Warranty. See www.toyota.com/owners/warranty-owners-manuals/ for details.
55. ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage. Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions.
56. Payload includes the weight of occupants, cargo and options and is limited by weight distribution.
57. HomeLink and HomeLink® house icon are registered trademarks of Gentex Corporation.
58. Vehicle(s) shown may include accessories not designed, manufactured or evaluated by Toyota nor covered by vehicle warranty.
59. Trailer Merge Warning estimates a trailer's presence and length and may not function for all trailers and under all circumstances. The driver must use mirrors and physically check adjacent lanes before making lane changes.
60. Use of all-terrain tires may significantly impact the attainable driving range of the vehicle.
