Key Features

SR5

4Runner SR5 brings strong value and a solid foundation for adventure. Features like available part-time 4WD help boost capability on and off the pavement. Additionally, standard wireless compatibility for Apple CarPlay®[1] and Android Auto™[2] makes it easy to stay connected on the road.

- Standard i-FORCE 2.4L turbo 4-cyl. engine with 278 hp
- 17-in. alloy wheels
- Standard Toyota Safety Sense™ 3.0[3]
- Up to 12 cup and bottle holders
- Toyota Audio Multimedia with 8-in. touchscreen

TRD Sport

4Runner TRD Sport elevates the sporty vibes with a distinct street-oriented look. Plus, features like the standard Blind Spot Monitor[4] with Rear Cross-Traffic Alert[5] are designed to help make every moment behind the wheel more seamless.

- 20-in. alloy wheels
- Gloss black hood scoop
- 12.3-in. Digital Gauge Cluster

TRD Sport Premium

4Runner's TRD Sport Premium grade adds upscale details to this sporty ride. Features like SofTex®-trimmed seats and a power moonroof bring added comfort and convenience to

the drive.

- Power liftgate
- Standard Qi-compatible wireless charger[6]
- Standard Smart Key System
- SofTex®-trimmed heated and ventilated front seats

TRD Off-Road

4Runner TRD Off-Road is all about going beyond where the pavement ends. Featuring standard part-time 4WD and a locking rear differential, this adventure-ready grade comes equipped to hit the trails.

- 18-in. alloy wheels with black accents
- Fixed running boards
- 8-way power driver's seat
- Bilstein®[7] shocks

TRD Off-Road Premium

Blending off-road capability[8] with convenience, 4Runner TRD Off-Road Premium brings added comfort to adventures. Plus, features like a power liftgate make it easy to take everyone's gear along for the trip.

- Heated power outside mirrors with turn signal indicators
- SofTex®-trimmed seats
- Standard Multi-Terrain Monitor

Limited

4Runner Limited elevates the drive with comfort and convenience. Features like available third-row seating bring added flexibility, while the standard turbocharged engine delivers powerful performance.

- Available automatic running boards
- Standard power-adjustable front passenger's seat
- Available full-time 4WD
- Leather-trimmed heated and ventilated front seats
- Adaptive Variable Suspension

Platinum

4Runner Platinum offers a premium drive and features to match. Together with its standard Adaptive Variable Suspension, this refined SUV makes a strong statement when it comes to all-around capability.

- Standard full-time 4WD
- Standard heated outboard second-row seats
- Standard i-FORCE MAX hybrid powertrain
- Toyota Audio Multimedia with 14-in. touchscreen

TRD Pro

4Runner TRD Pro takes performance to the next level. Powered by an i-FORCE MAX hybrid powertrain and part-time 4WD, this off-road[8] beast is designed to confidently handle the trails.

- Standard Fox®[9] shocks
- TRD Pro-stamped front aluminum skid plate
- 18-in. matte-black TRD alloy wheels

Trailhunter

4Runner's new Trailhunter grade is all about overlanding: off-roading[8] where the journey is the focal point. Featuring an electrified powertrain and cutting-edge tech to keep everyone connected, 4Runner Trailhunter makes every adventure one to remember.

- Standard Old Man Emu®[10] shocks
- Heritage-inspired Toyota grille
- 14-speaker JBL® Premium Audio system including JBL FLEX® portable speaker[11]

Disclaimers

- Apple CarPlay requires a compatible iPhone with an active data plan. Check compatibility at www.apple.com/ios/carplay/. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-notice/. Apple CarPlay and iPhone are registered trademarks of Apple Inc.
- Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/ requirements for compatibility. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-notice/. Google, Android, Android Auto, Google Maps and other marks are trademarks of Google LLC.
- Toyota Safety Sense effectiveness depends on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for limitations.

4. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations.
5. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations.
6. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.
7. Bilstein is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY.
8. The Toyota 4Runner is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in personal injury or vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment.
9. FOX is a registered trademark of FOX Factory, Inc.
10. Old Man Emu is a registered trademark of ARB Corporation.
11. A compatible Bluetooth-enabled phone must be paired. Phone performance depends on software, coverage and carrier. JBL is a registered trademark of Harman International Industries, Inc.
12. Extra-cost color.
13. Integrated Trailer Brake Controller is an electronic system that operates in tandem with a trailer equipped with an electric braking system. It is designed to help the driver maintain trailer control by increasing or reducing trailer braking based on trailer weight. It is not a substitute for safe towing practices. Factors including speed, weather, road conditions and driver input can all affect trailer braking control. See *Owner's Manual* for additional limitations and details.
14. The backup camera does not provide a comprehensive view of the rear area of the vehicle/trailer. When using straight path assist, driver should confirm clearance and is still responsible for safe operation. See *Owner's Manual* for limitations.
15. Digital Key requires active Remote Connect subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding the vehicle it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if the vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>.
16. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply.
17. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for limitations.
18. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See *Owner's Manual* for limitations.
19. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for limitations.
20. Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for limitations.
21. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations.
22. Automatic High Beams operate at speeds above 21 mph. See *Owner's Manual* for instructions and limitations.
23. Road Sign Assist only recognizes certain road signs. See *Owner's Manual* for limitations.
24. Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See *Owner's Manual* for additional limitations and details.
25. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See *Owner's Manual* for limitations.
26. The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See *Owner's Manual* for limitations.
27. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations.
28. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations.

29. Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for instructions and limitations.
30. Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
31. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for limitations and details.
32. Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See *Owner's Manual* for limitations.
33. ARB is a registered trademark of ARB Corporation.
34. Rigid Industries® is a registered trademark of JST Performance, LLC d/b/a Rigid Industries.
35. Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See *Owner's Manual* for limitations.
36. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license.
37. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products.
38. May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.
39. Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details.
40. Do not exceed 120V. See *Owner's Manual* for additional limitations and details.
41. Electrical rating for auxiliary switches is pre-set. See *Owner's Manual* for additional details. Exceeding the rating set by Toyota may lead to an increased risk of failure, and, potentially, fire.
42. HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation.
43. This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner.
44. Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Apple CarPlay® is a registered trademark of Apple Inc.
45. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/ requirements for compatibility. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Google, Android, Android Auto, Google Maps, and other marks are trademarks of Google LLC. Compatible Android phone and compatible active data plan required.
46. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.
47. JBL® is a registered trademark of Harman International Industries, Inc.
48. Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent.
49. Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/). Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions.

50. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331.
51. Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent.
52. An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app.
53. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply.
54. Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner'sManual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>.
55. Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner'sManual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>.
56. On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply.
57. Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en&country=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en&country=US> for terms and conditions.
58. Base MSRP excludes manufacturer, distributor and dealer options, taxes, title and license and dealer fees and charges. Also excludes the Delivery, Processing and Handling of **\$1,195** for Cars (Corolla, Corolla HV, Corolla HB, GR Corolla, Camry, Prius, Prius Plug-in Hybrid, Toyota Crown, Mirai, GR86, GR Supra), **\$1,450** for Entry SUV (Corolla Cross, Corolla Cross HV), **\$1,450** for Small SUV (RAV4, RAV4 HV, RAV4 Plug-in Hybrid, bZ, bZ Woodland, C-HR), **\$1,495** for Mid SUV/Van (4Runner, 4Runner HV, Highlander, Highlander HV, Grand Highlander, Grand Highlander HV, Sienna, Land Cruiser, Toyota Crown Signia), **\$1,595** for Small Pickup (Tacoma, Tacoma HV), **\$2,095** for Large Pickup/Large SUV (Tundra, Tundra HV, Sequoia). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure and may be subject to change at any time. Toyota may make a profit on the Delivery, Processing and Handling Fee.) The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Dealer price will vary.
59. Projected EPA-estimated 20 city/26 hwy/22 combined mpg rating for 2026 4Runner SR5 RWD, TRD Sport RWD and TRD Sport Premium RWD; projected EPA-estimated 19 city/25 hwy/21 combined mpg rating for 2026 4Runner SR5 4WD, TRD Sport 4WD, TRD Sport Premium 4WD, TRD Off-Road 4WD and TRD Off-Road Premium 4WD; projected EPA-estimated 20 city/24 hwy/22 combined

mpg rating for 2026 4Runner Limited RWD; projected EPA-estimated 20 city/24 hwy/21 combined mpg rating for 2026 4Runner Limited 4WD; and projected EPA-estimated 23 city/24 hwy/23 combined mpg rating for 2026 4Runner TRD Off-Road Hybrid 4WD, TRD Off-Road Premium Hybrid 4WD, Limited Hybrid 4WD, Platinum, TRD Pro and Trailhunter as determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.

60. ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, C-HR, Prius and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. ToyotaCare valid only in the continental U.S.; Roadside Assistance valid in continental U.S., Hawaii and Canada. See Toyota dealer for details and exclusions.
61. Before towing, confirm Stop and Start Engine System is disengaged.
62. Never tow beyond a vehicle's published towing capacities.
63. Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds. See *Owner's Manual* for limitations.
64. Torsen® is a registered trademark of Zexel Torsen, Inc.
65. Bilstein® is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY.
66. FOX is a registered trademark of FOX Factory, Inc.
67. Old Man Emu is a registered trademark of ARB Corporation.
68. When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See *Owner's Manual* for additional limitations and details.
69. Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations.
70. Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the DAC's ability to prevent loss of control. See *Owner's Manual* for additional limitations and details.
71. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
